Clean Break Updates

Clean Break Update

We are slightly changing protocols for volunteers until we are through the Clean Break. All volunteers please stop by the volunteer desk or foster office when you come in for your shift. We can discuss the Clean Break and answer any questions you may have, and we will assign you to either the Clean Break or Exposed side.

On **Sunday, Monday, Tuesday, or Wednesday check in with Nathan at the Volunteer Coordinator's desk.**

If Nathan is not at his desk, he can be reached at (214) 412-4592.

On **Thursday, Friday, Saturday check in with David or Tina in the Foster Office. The foster office is located behind the yellow door, to the right of the blue adoption doors if you are walking up from the parking lot.**

If neither of them are in the office, you can reach David at (214) 287-2378.

Any inquiries about where you should go to start your shift should go through one of the designated staff contacts above.

This information is on the "Clean Break Guide" on the home page of My Impact so you have easy access on who to call when you come in!

Volunteer Town Hall

Volunteer Town Hall

We will be having a Volunteer Town Hall next Monday, January 23rd at 6 PM. During this Town Hall we will update you on the Clean Break and discuss how you can best help as we continue to work through it. Here is the link to join the meeting.

Meeting ID: 214 710 771 920
Passcode: BHKKpi

If you have any questions you want addressed in the Town Hall, please email us at DASvolunteer@dallas.gov by 10 AM Monday morning.

Treats & toys with co-housed dogs

Just a reminder - do not put any treats, toys, food or attention to two dogs housed in the same kennel. Even besties can squabble over a resource!

Volunteer opportunities

Canine Adoptions Assistant

We could use help matching potential adopters with their perfect pet! Canine Adoptions Assistants provide customer service to potential adopters, suggest dogs that fit what they are looking for, and facilitate meet and greets.

This position is one of our most needed right now, as we try to adopt out pets to make room for our Clean Break. To sign up, click the link here!

Canine Handling Training is required for this position.

Current needs

Clickers & Treat Pouches

Clickers

We are running low on clickers & treat pouches for our Click for Calm position.

If you're able to donate clickers or treat pouches, you can order them from the wish list here!

If you accidentally brought a clicker or treat pouch home with you after your shift, please return them to the volunteer desk so I can distribute them to both sides as needed!

Positive outcomes

Pitbull mix

On December 19th, this adorable Pitbull was adopted from DAS! She's now living her best life with her new family. Here's what her adopter has to say:

" My daughter suffers from severe anxiety disorder and she has been wanting a dog, a Pitbull specifically, for some time now. I finally gave in and brought her to the shelter. This gorgeous tan pitbull chose us for her new forever home. She has adjusted to our home. She really good with going outside to potty and she is very vocal when she wants something. We named her Hennessy and her favorite place to be is in our laps "

January Wins

Check out these positive outcomes from January!

other updates

Opportunity to be on the news!

We will be having a news crew come to the shelter next Wednesday, January 25th at 11 AM. They will need to get B-roll of volunteers doing their regular volunteer activities. If you are interested in helping us with that and being on the news, please let us know at DASvolunteer@dallas.gov!

Welcome New Volunteers!

Welcome all of the new volunteers who have joined us since mid-November:
