BREAST, CERVICAL & COLON HEALTH PROGRAM

Breast, Cervical & Colon Health Program

Saving Lives Through Early Detection

The best protection is early detection

Your body. Your life. Protect both. Know your screening options.

For women who:

Patient and doctor

- Are age 40 — 64
- Have limited income (see table below)
- Have no health insurance or limited insurance
- Are under age 40 with a breast lump

You may be eligible for a free or low-cost women's health exam with a mammogram and pap test.

For men and women who:

Patient and doctor

- Are age 50 — 64
- The program no longer pays for colon screenings, however colon cancer screening is recommended for all adults ages 50-64

Servicing clients in King, Kitsap, Clallam, and Jefferson Counties. We can help you locate the prime contractor for services if you live outside these areas

COMMUNITY HEALTH ACCESS PROGRAM (CHAP)

CHAP is a telephone assistance program serving King County residents by enrolling them into health insurance Washington Apple Health (Medicaid) or Qualified Health Plan), ORCA LIFT, Subsidized Annual Pass, Food Assistance, Energy Assistance or the Breast, Cervical & Colon Health Program. We also help residents access other health care services including finding a medical and dental home. Our services are free and confidential.

WHAT WE DO:

- *Enrollment*: We enroll King County residents into health insurance, ORCA LIFT, Subsidized Annual Pass, Basic Food and other public benefit programs.
- *Education*: We help residents of King County understand how to navigate the health care system in Washington State.
- *Assure Access*: We provide trainings and technical assistance to our community partners on health insurance, health care access, ORCA Lift and other public benefit programs.
- *Collaboration*: We achieve system-wide changes that improve access to health care by working with our community partners to help us identify system barriers and work together to eliminate these barriers.

CHAP@kingcounty.gov

Phone hours of operation:

Monday — Friday
7:30AM — 5:30PM
Saturdays
10:00AM — 2:00PM

We can provide interpreters and TTY assistance during your call.

ACCESS TO BABY & CHILD DENTISTRY (ABCD) PROGRAM

Access to Baby & Child Dentistry™

Dad, child and pediatric dentist

Making sure that your children have healthy teeth and mouths for a lifetime begins early.. Babies should be checked by a dentist or doctor by the time their first tooth appears or by their first birthday.

Austin

The Access to Baby and Child Dentistry (ABCD) Program — puts young children on a lifelong path to good oral health. The program is designed to connect Washington Apple Health (Medicaid) eligible children from birth through age 5 with a dentist who knows how to care for young children, focusing on prevention and avoiding tooth decay, as well as educating parent about to take good care of their children's teeth.

In King County ABCD Program understands the importance of the whole family having access to good dental care and therefore will connect older children as well as adults to a dental home.

Do you need help finding a dentist? Have additional questions, presentation requests, or need a dental referral, please email us at ABCD@kingcounty.gov. Be sure to include your child's Medicaid ProviderOne # (000000000WA) for all dental referrals.
