

WEBINAR: UPDATE ON THE MEASURE H FY 2020-21 FUNDING RECOMMENDATIONS PROCESS

DECEMBER 18, 2019 | 9:00 A.M. - 10:30 A.M.

On August 13, 2019, the LA County Board of Supervisors directed the Homeless Initiative (HI) to implement a robust public process to develop Measure H Funding Recommendations for the next three fiscal years. This process is well underway; the HI has hosted eight Policy Summits, which took place between September 26 and November 21. In addition, in partnership with the Los Angeles Homeless Services Authority, the HI held eight community input sessions (one in each Service Planning Area across the County), in October and November.

The HI invites you to join a webinar on December 18th. On the webinar, we will share details about a change in the process for developing Measure H funding recommendations. Specifically we are recommending to change the original plan to make recommendations for the next three fiscal years to a process that will only result in recommendations for FY 2020-21; to be presented to the Board in May 2020.

All members of the public are warmly invited to participate in this webinar.
