FREE CLASS ON REPLACING LAWNS WITH LOW-WATER USE PLANTS

Menlo Park, CA – Attend a FREE water-efficient landscaping class titled “REPLACING LAWNS WITH LOW-WATER USE PLANTS” on **Saturday, March 9th** from 9:00 a.m. to noon. At this class, attendees will learn how to create a beautiful water-efficient and low-maintenance landscape using California native and drought tolerant plants. Also learn about the Lawn Be Gone program that provides up to \$3,000 in rebates for converting lawns into water-efficient landscapes.

Registration is required. Class size is limited. For additional details or to register for this class, please call **(650) 349-3000** or register online at www.bawasca.org/classes. This class is co-sponsored by the City of Menlo Park and the Bay Area Water Supply and Conservation Agency (BAWSCA).
