FREE CLASS ON THE SECRETS OF DROUGHT-TOLERANT LANDSCAPING

Menlo Park, CA – Attend a FREE water-efficient landscaping course titled “LAWN REPLACEMENT WITH CALIFORNIA NATIVE AND DROUGHT TOLERANT PLANTS” on **Saturday, October 12th** from 9:00 a.m. to noon at the Arrillaga Family Recreation Center (Oak Room) located at 700 Alma St. At this class, attendees will learn how to achieve a lush look in your garden with beautiful, native

shrubs, grasses, trees, and flowers. Discover the benefits of native and drought tolerant plants as an alternative to your lawn, and create a water efficient, low maintenance landscape. Those who attend will also learn about the Lawn Be Gone program that provides up to \$3,000 in rebates for converting lawns into water-efficient landscapes.

Registration is required. Class size is limited. For additional details or to register for this class, please call **(650) 349-3000** or register online at www.bawasca.org/classes. This class is co-sponsored by the City of Menlo Park and the Bay Area Water Supply and Conservation Agency (BAWSCA).
