1. SUBJECT: NOTICED PUBLIC HEARING:
ADOPT AN ORDINANCE AMENDING THE SAN DIEGO COUNTY ADMINISTRATIVE CODE RELATING TO THE ESTABLISHMENT OF SAN DIEGO COUNTY FIRE AUTHORITY FEES AND CHARGES (DISTRICTS: 2, 5)

OVERVIEW:
This is a request to adopt an Ordinance amending the San Diego County Administrative Code, adding provisions to recover the actual cost of services provided by the San Diego County Fire Authority, including fire plan reviews, inspections and other technical work. The San Diego County Fire Authority is proposing a cost recovery program that includes fees based on costs in the Fiscal Year 2013-14 Adopted Operational Plan. Adoption of this Ordinance will establish fees in an amount that reflects full cost recovery for services provided by the San Diego County Fire Authority, pursuant to Board Policy B-29 pertaining to Fees, Grants and Revenue Contracts, with the exception of certain waivers identified in this Ordinance.

FISCAL IMPACT:
Funds for this request are not included in the Fiscal Year 2013-14 Operational Plan for the Public Safety Group Executive Office, San Diego County Fire Authority. The proposed fees ensure full cost recovery for services related to fire plan reviews, inspections and other technical work, with certain exceptions for which a waiver of Board Policy B-29 is requested. It is unknown how many services will be requested where costs are recoverable. Accordingly, the San Diego County Fire Authority is not estimating revenue related to this proposal at this time. The San Diego County Fire Authority will monitor the number of requests and adjust the budget, as necessary. There will be no change in net General Fund cost and no additional staff years.

BUSINESS IMPACT STATEMENT:

Department of Justice, Office on Violence Against Women, Grants to Encourage Arrest Policies and Enforcement of Protection Orders Program.

OVERVIEW:
On March 7, 1995, the Board of Supervisors approved the Regional Communications System Participating Agency Agreement which established the Regional Communications System. The County procured and constructed the system, and continues to operate the system for the use and benefit of the County, cities, and other jurisdictions that are parties to the 1995 Regional Communications System Participating Agency Agreement.

The Regional Communications System infrastructure is approaching the end of life and must be replaced. The County has been working with Regional Communication System partner agencies to plan for the next generation regional communications system. The first major milestone in system replacement is the execution of a new agreement between the County and agencies that desire to participate in the next generation regional communications system. This new agreement establishes the cost apportionment model for all participants and will serve as the operating and business agreement between the parties.

This is a request for the Board to approve the Agreement Between and Among the County of San Diego and Participating Cities and Jurisdictions Regarding the Next Generation Regional Communications System.

FISCAL IMPACT:
There is no current year fiscal impact as the result of this request. The estimated cost of the Next Generation Regional Communications System infrastructure of the San Diego/Imperial County Region for the planning needs of the parties is $105,000,000. The actual cost of the system infrastructure as determined following a future competitive procurement will be shared by all the parties to the Agreement Between and Among the County of San Diego and Participating Cities and Jurisdictions Regarding the Next Generation Regional Communications System (NextGen RCS Agreement), including the County of San Diego, based on the cost apportionment model established by the NextGen RCS Agreement. The NextGen RCS Agreement provides that a financing mechanism will be determined and made available by the County. Following the procurement process, any required financial agreements and recommendations for funding for the County’s
approximately 40% share of the San Diego County total cost will be brought to the Board. The cost to operate the new system is not yet known; however, the cost will be allocated across all system users by charging a per-radio operating fee similar to the current Regional Communications System business model. Today’s request to the Board will result in no change in net General Fund cost and no additional staff years.

**BUSINESS IMPACT STATEMENT:**
N/A

**RECOMMENDATION:**
**CHIEF ADMINISTRATIVE OFFICER**
Approve and authorize the Clerk of the Board to execute the Agreement Between and Among the County of San Diego and Participating Cities and Jurisdictions Regarding the Next Generation Regional Communications System and authorize the Chief Administrative Officer to execute the First Amendment to the Agreement which will amend Exhibit C to reflect the system costs and cost apportionment per party once this information is finalized.

CHIEF ADMINISTRATIVE OFFICER
SUBJECT: MEDICAL SERVICES GROUP FOR PSYCHIATRIC SERVICES COVERAGE AT SAN DIEGO COUNTY PSYCHIATRIC HOSPITAL (DISTRICTS: ALL)

OVERVIEW:
The Health and Human Services Agency's (HHSA) San Diego County Psychiatric Hospital (SDCPH) contracts with *locum tenens* companies to ensure sufficient coverage by qualified psychiatrists. These *locum tenens* companies provide temporary staffing of psychiatrist positions, and are used to address coverage gaps created by staff vacancies, vacations, or increased psychiatrist staffing needs. This heavy reliance on temporary psychiatrists has resulted in a psychiatric workforce in continual flux, increasing potential risk associated with a transient workforce. To address psychiatrist staffing coverage needs, HHSA proposes to procure a medical services group ensuring more consistent and standardized quality of care for patients of the Psychiatric Hospital.

Today’s action, if approved, will authorize the Director, Department of Purchasing and Contracting, to authorize the competitive solicitation of a new contract with a medical services group to provide all evening, night, and weekend psychiatric services, and psychiatric services for other gaps in coverage, at SDCPH. This action will improve the consistency of patient care. Additionally, this action supports the *Live Well San Diego* initiative by providing necessary psychiatric evaluation and crisis intervention services to the adult residents of San Diego County.

FISCAL IMPACT:
Funds for this request are included in the Fiscal Year 2013-15 Operational Plan for the Health and Human Services Agency. If approved, this request will result in annual costs and revenue of $3.5 million. The funding sources are Realignment, Substance Abuse and Mental Health Services Administration (SAMHSA), and Federal Financial Participation. There will be no change in net General Fund cost and no additional staff years.

BUSINESS IMPACT STATEMENT:
N/A

RECOMMENDATION:
CHIEF ADMINISTRATIVE OFFICER
In accordance with Section 401, Article XIII of the County Administrative Code, authorize the Director, Department of Purchasing and Contracting, to issue a Competitive Solicitation for psychiatric staffing services with a single medical services group, and upon successful negotiations and determination of a fair and reasonable price, award a contract for an initial term of two years, with up to five (5) option years and up to an additional six months, if needed, subject to the availability of funds; and to amend the contract as needed to reflect changes to services and funding, subject to the approval of the Director, Health and Human Services Agency.
OVERVIEW:
Today’s action will authorize the Health and Human Services Agency (HHSA) to pursue national public health accreditation through the Public Health Accreditation Board (PHAB). If granted accreditation, the status will last five years before reapplication is required. Undertaking this process allows the County of San Diego to attain recognition, validity, and accountability for performance excellence in delivering public health programs and services. Public health accreditation also supports the Live Well San Diego strategies of Building Better Health and Living Safely, as well as exemplifies the County’s required disciplines for operational excellence.

FISCAL IMPACT:
Funds for this request are included in the Fiscal Year 2013-15 Operational Plan in the Health and Human Services Agency. If approved, this request will result in costs and revenues of $63,600 for Fiscal Year 2013-14. The funding source is the Centers for Disease Control & Prevention National Public Health Improvement Initiative (NPHII) grant. There will be no change in net General Fund cost and no additional staff years.

OVERVIEW:
For the past 19 years, the Board has approved the California Department of Public Health (CDPH), AIDS Master Grant Agreement to provide services to reduce the transmission of HIV/AIDS in San Diego County, and to improve health outcomes for people living with HIV/AIDS. On October 25, 2011 (5) the Board authorized a combined amended agreement for Fiscal Year 2011-12 for $5,124,388 and Fiscal Year 2012-13 for $5,380,407, which represented funding for prevention, including HIV Counseling and Testing, HIV Education and Prevention and Expanded HIV Testing in Healthcare Settings (EHTH). Effective July 1, 2013, the CDPH separated the AIDS Master Grant into individual HIV/AIDS revenue agreements. On August 6, 2013 (6), the Board authorized ratification of a separate six-month agreement for EHTH from July 1, 2013 through December 31, 2013 in anticipation of the funding ending on December 31, 2013. Subsequently, on August 19, 2013, CDPH notified the County of San Diego that the agreement for EHTH would be extended for 12 additional months through December 31, 2014.
Today’s action requests the Board to approve and ratify, and to authorize the Clerk of the Board, upon receipt, to execute a revenue agreement for EHTH, effective January 1, 2014 through December 31, 2014 for a twelve-month total of $962,628. This represents a six percent reduction from the previous annual award.

Today’s action also requests the Board to extend five sole source contracts for Expanded HIV Testing in Healthcare Settings.

This item supports the Live Well San Diego initiative by providing access to high quality prevention, testing and medical care that leads to improved physical and behavioral health. Approval of this item will improve the treatment and health of persons with HIV/AIDS in San Diego County.

16. SUBJECT: DISTRICT ATTORNEY - SECOND AMENDMENT TO LEASE AGREEMENT WITH U.S. BANK NATIONAL ASSOCIATION - 333 H STREET, CHULA VISTA (DISTRICT: 1)

OVERVIEW:
On January 30, 2007, the Board of Supervisors approved a seven-year lease for 24,853 square feet of office space for the District Attorney at 333 “H” Street, Chula Vista, with two five-year extension options. The lease space functions as the primary South Bay office for the District Attorney. The District Attorney desires to remain at this location and extend the current lease, which is set to
terminate on June 30, 2014. The landlord, U.S. Bank National Association, has submitted a proposal to negotiate an extension prior to the termination date that provides terms and conditions favorable to the County.

The Board is requested to approve a Second Amendment with U.S. Bank National Association to extend the lease term for an additional five years, reduce the existing lease rental rate effective as of October 1, 2013, and reduce the annual cost-of-living adjustment from 3.75 percent to 3 percent. The Second Amendment also includes a $125,000 refurbishment allowance.

**FISCAL IMPACT:**
Funds for this request are included in the Fiscal Year 2013-14 Operational Plan for the District Attorney. If approved, this request will result in current year costs of $808,584 for rent and parking, which is a reduction of $263,257 over budgeted costs of $1,071,841. The estimated annual cost for Fiscal Year 2014-15 is $723,326. Under the negotiated lease amendment, the lease cost per square foot will decrease from approximately $3.61 to $2.43 per square foot. There will be no change in net General Fund costs and no additional staff years.

**BUSINESS IMPACT STATEMENT:**
N/A

**RECOMMENDATION:**

**CHIEF ADMINISTRATIVE OFFICER**

1. Find, in accordance with Section 15301 of the California Environmental Quality Act (CEQA) Guidelines, that the proposed lease amendment is categorically exempt from the provisions of CEQA, as it involves the continuation of an existing use.

2. Approve and authorize the Director, Department of General Services to execute three copies of the Second Amendment with U.S. Bank National Association.

3. Authorize the Director, Department of General Services to exercise the option to extend the lease, prior to expiration, if appropriate.

17. **SUBJECT:** EAST MESA DETENTION FACILITY - APPROVAL IN PRINCIPLE TO NEGOTIATE A FOURTH AMENDMENT TO THE LEASE AGREEMENT WITH CORRECTIONS CORPORATION OF AMERICA (DISTRICT: 1)

**OVERVIEW:**
On December 2, 1997 (28), the Board of Supervisors approved a lease agreement with Corrections Corporation of America for the construction of detention and support facilities that house federal detainees on a 13.64-acre County-owned site in the Otay Mesa area. The facilities constructed by Corrections Corporation of America under the terms of the lease added 800 beds to the existing County-owned 200-bed East Mesa Detention Facility. The lease also provided for an additional
200-bed expansion. Corrections Corporation of America completed construction of the 800-bed and 200-bed expansion in December 1999. The lease was amended on September 30, 2003 (6), May 22, 2007 (10) and January 26, 2010 (14). The most recent lease amendment extended the term for all portions of the facility to December 31, 2015.

The Board of Supervisors is requested to approve in principle the terms of a proposed fourth amendment to the lease and to authorize the Director, Department of General Services to negotiate the terms of the proposed fourth amendment to the lease with Corrections Corporation of America. Upon successful negotiations, staff will return to the Board for authority to execute the lease amendment.

**FISCAL IMPACT:**
There is no fiscal impact for this requested action. The projected lease revenue resulting from this action will be determined during lease amendment negotiations and will be included in the subsequent report and recommendations to be made to the Board. There will be no change in net General Fund cost and no additional staff years.

**BUSINESS IMPACT STATEMENT:**
N/A

**RECOMMENDATION:**

**CHIEF ADMINISTRATIVE OFFICER**
1. Find that the proposed action is exempt from the California Environmental Quality Act (CEQA) under Article 5, Section 15060(c)(3) of the State CEQA Guidelines because it is not a project as defined by Section 15378.

2. Approve in principle the terms of the proposed amendment to the lease agreement between the County and Corrections Corporation of America.

3. Authorize the Director, Department of General Services, in consultation with the Sheriff, to negotiate the terms of an amendment to the lease between the County and Corrections Corporation of America.

**OVERVIEW:**
On April 11, 2000 (19), the Board set aside 30-acres of approximately 66-acres of County-owned land north of the San Diego River in Santee for the Edgemoor Skilled Nursing facility and directed the Director, Department of General Services, to return to the Board with a Resolution of Intention to Sell the remaining County-owned land north of the river. On July 6, 2002 (1), the Board conducted a bid opening and approved granting an Option to Purchase for a 20.66-acre residential
parcel to the highest bidder. The property was sold on July 15, 2004 for $15,900,000 and an option fee totaling $250,000. Construction of the new Edgemoor Skilled Nursing Facility was completed in 2009 on an 11.74-acre portion of the 30-acres of County-owned land set aside for this use. There are two parcels of undeveloped County-owned land remaining north of the San Diego River totaling approximately 33-acres.

Today’s request is for Board approval to take the actions necessary to sell the remaining 22.15-acre and 11.13-acre parcels. The properties are zoned for medium to high density residential uses. The 22.15-acre parcel is zoned for a minimum of 30 units per acre and the 11.13-acre parcel is zoned for 22 units to 30 units per acre. The County will seek bids from prospective developers and users to purchase one or both parcels. The revenue resulting from the sale of the properties will be placed in the Edgemoor Development Fund, which is used to fund repayment of the 2005 and 2006 Certificates of Participation issued for construction of the Edgemoor Skilled Nursing Facility and to fund costs associated with the maintenance of the County-owned Edgemoor property.

Today’s request requires two steps. On December 3, 2013, the Board will consider 1) declaring the subject properties surplus to County needs, 2) directing the Clerk of the Board to advertise the County’s intent to sell the parcels, and 3) adopting a Resolution declaring its intention to sell the parcels. If the Board takes the actions recommended on December 3, 2013, then on January 7, 2014, after making necessary environmental findings, the Board is requested to conduct a bid opening and approve the sale of the parcels to the highest bidder.

The minimum bid for the 22.15-acre parcel is $9,500,000 and the minimum bid for the 11.13-acre parcel is $4,500,000.

FISCAL IMPACT:
If the sale of each property is approved, this request will result in minimum revenue of $14,000,000, anticipated in Fiscal Year 2013-14. Pursuant to Board Policy F-38, the proceeds from the sale of property will be deposited to the Edgemoor Development Fund. There will be no change in net General Fund costs and no additional staff years.

BUSINESS IMPACT STATEMENT:
It is estimated that the successful bidders will construct a medium to high-density residential project on each property. These residential construction projects are anticipated to employ full-time construction workers and create demand for additional services and materials during the course of construction.

RECOMMENDATION:
CHIEF ADMINISTRATIVE OFFICER
1. Find that the proposed actions are exempt from review under the California Environmental Quality Act (CEQA) pursuant to Section 15312 of the CEQA guidelines as the first step in the sale of surplus government property.
2. Declare County Parcels 2013-0090-A and 2013-0091-A surplus to County needs.

3. Direct the Clerk of the Board of Supervisors to advertise the Notice of Intention to Sell each property in accordance with Government Code Section 6063.

4. Approve and adopt the attached Resolution of Intention to Sell and Notice Inviting Bids for each property. (4 VOTES)

If the Board takes the actions recommended in Items 1-4 above on December 3, 2013, then on January 7, 2014:

1. Find, in accordance with Section 15312 of the CEQA Guidelines, that the sale of County Parcel 2013-0090-A and County Parcel 2013-0091-A is categorically exempt from CEQA as it is a sale of surplus government property.

2. Conduct the bid opening and approve the sale of County Parcel 2013-0090-A and County Parcel 2013-0091-A to the highest bidders.

3. Authorize the Director, Department of General Services, to perform all necessary actions to complete the sale of the properties, including the execution of the Purchase and Sale Agreements, escrow instructions, and Grant Deeds.

4. Authorize the Auditor and Controller to deposit all proceeds resulting from the sale of the properties into the Edgemoor Development Fund, pursuant to Board Policy F-38, Edgemoor Property Development.

19. SUBJECT: SHERIFF – LICENSE AGREEMENT WITH VERIZON FOR SHERIFF’S REGIONAL COMMUNICATIONS SYSTEM, HENDRIX PEAK (DISTRICTS: ALL)

OVERVIEW:
The Regional Communications System provides the County of San Diego, Imperial County and numerous public safety agencies with day-to-day public safety and emergency responder communication support. On June 21, 1994 (1, 1A), the Board of Supervisors directed the Department of General Services to lease and develop sites needed to support the Regional Communications System. On March 11, 1997 (4), the Board approved the construction of a County radio tower and the leasing of radio rack space within a joint use ground equipment shelter that is located at Hendrix Peak, in Imperial County. The lease agreement that allowed the County of San Diego to operate at this site expired during March 2012 and was then transferred from Fisher Wireless to Verizon. The lease is currently on holdover. The County has negotiated with Verizon the terms and conditions of a new 10-year license agreement with two 10-year option periods, that will replace the lease agreement that is on holdover.
The Board is requested to approve a new license agreement with Verizon that will ensure public safety radio coverage is provided to both San Diego and Imperial Counties.

**FISCAL IMPACT:**
Funds for this request are included in the Fiscal Year 2013-14 Adopted Operational Plan for the Sheriff’s Department. If approved, this request will result in license costs of $42,024 for Fiscal Year 2013-14 and $41,208 for Fiscal Year 2014-15. The renegotiated rates reduce the current lease costs by $1,440 in Fiscal Year 13-14 and $3,126 in Fiscal Year 14-15. The funding source is Regional Communications System revenue budgeted in the Sheriff's Department. There will be no change in net General Fund cost and no additional staff years.

**BUSINESS IMPACT STATEMENT:**
N/A

**RECOMMENDATION:**

**CHIEF ADMINISTRATIVE OFFICER**
1. Find, in accordance with Section 15301 of the California Environmental Quality Act (CEQA) Guidelines, that the proposed license is categorically exempt from CEQA review as it involves the continuation of an existing use.

2. Approve and authorize the Director, Department of General Services, to execute two copies of the license agreement with Verizon and, subject to the approval of the Sheriff’s Department, take any other actions necessary to administer the license, including the exercise of the extension options and execution of amendments pursuant to Section 73.6(b) of the County Code of Administrative Ordinances and Government Code Section 25350.51.

**SUBJECT: COUNTY LIBRARY - ACCEPTANCE OF GIFTS AND DONATIONS, ESTABLISH APPROPRIATIONS OF GRANT FUNDS FOR THE SAN DIEGO COUNTY LIBRARY, AND AUTHORIZATION TO SUBMIT AND ACCEPT GRANT APPLICATIONS (DISTRICTS: ALL)**

**OVERVIEW:**
San Diego County Library has received numerous gifts and donations from individuals and groups that are interested in promoting library service to their communities. County of San Diego Administrative Code, Section 66, Acceptance of Gifts, permits the acceptance of gifts and donations by the administrative head of each department of the County, subject to ratification by the Board of Supervisors. A report of all individual gifts not exceeding $5,000 is required, as well as Board of Supervisors’ approval to accept individual gifts over $5,000. This action will approve the acceptance of $55,221 in cash and non-cash gifts and donations exceeding $5,000 in value received by SDCL between the period of January 1, 2013 and June 30, 2013 and acknowledge an additional $30,859 in cash and non-cash gifts and donations not exceeding $5,000 for a total value of $86,080. A portion of the cash donations received was matched by the Library Fund.
San Diego County Library provides a wide variety of library program services at 33 branch libraries and 2 mobile libraries. These services are designed to meet the educational, cultural, and personal needs of its customers. The Mexican Consulate in San Diego has awarded a total of $7,500 through the Institute for Mexicans Abroad Fellowship Program for Fiscal Year 2013-14. The Institute’s mission is to improve the development of persons of Mexican origin in the country where they live. The Mexican Consulate and San Diego County Library are partnering to provide educational opportunities to persons of Mexican origin residing in the U.S. with low literacy skills in their native language to better prepare them to succeed in ESL and English Literacy programs offered by San Diego County Library, thereby eliminating an important obstacle towards greater community integration and involvement.

The Board of Supervisors is requested to authorize the Director, County Library, to submit grant applications and accept grants to support literacy, reading and education programs, and additional materials (books, DVDs, music, ebooks, educational/research databases) for the library collection through June 30, 2015. These programs support the County of San Diego’s Strategic Plan and County Library’s mission.

FISCAL IMPACT:
Funds for this request are partially included in the Fiscal Year 2013-14 Operational Plan for the San Diego County Library (SDCL). If approved, this request will result in current year cost and revenue of $7,500. The funding source is the Consulate through the Institute for Mexicans Abroad Fellowship Program ($7,500). There will be no change in net General Fund costs and no additional staff years. If future applications for grants that support the County of San Diego’s Strategic Plan and SDCL’s mission result in an award, a subsequent item will be brought to the Board to appropriate the funds.

SDCL received cash and non-cash donations of $86,080 between January 1, 2013 and June 30, 2013. Of these donations, $39,042 qualified for matching funds from the Library fund balance available in Fiscal Year 2012-13. The largest single donation was $11,500 from the Friends of the El Cajon Library.

BUSINESS IMPACT STATEMENT:
N/A

RECOMMENDATION:
CHIEF ADMINISTRATIVE OFFICER

2. Authorize the Chairman of the Board of Supervisors to sign letters of appreciation for donations over $5,000.
3. Ratify the application for and authorize acceptance of the Consulate General of Mexico in San Diego grant in the amount of $7,500, and authorize the Director, County Library to administer the grant.

4. Establish appropriations of $7,500 in the Library Fund for the Institute for Mexicans Abroad Fellowship Program based on a grant from the Consulate General of Mexico in San Diego. (4 VOTES)

5. Pursuant to Board Policy B-29, authorize the Director, County Library, to submit grant applications and accept grants that support literacy, reading and education programs, and additional materials (books, dvds, music, ebooks, educational/research databases) for the library collection through June 30, 2015.

21. SUBJECT: GENERAL SERVICES - ESTABLISH JOB ORDER CONTRACT CAPACITY AND AUTHORIZE THE DIRECTOR OF PURCHASING AND CONTRACTING TO ADVERTISE AND AWARD JOB ORDER CONTRACTS (DISTRICTS: ALL)

OVERVIEW:
The Department of General Services requests authority to establish $98 million in job order contracts capacity in order to execute approved capital and major maintenance, repair and remodeling work. The job order contracting authority would be utilized for work budgeted within departments for the Major Maintenance Improvement Program and other minor capital remodel, general maintenance and repairs. Contracts are advertised periodically based on major maintenance and department forecasts of work; job orders are issued under these contracts on an as-needed basis as projects are funded. An emphasis on smaller, specialty job order contracts has provided greater opportunity for smaller, local contractors to participate in this program and would continue within the program.

Today’s action requests the Board of Supervisors to authorize advertising and award of job order contracts to execute capital and major maintenance programs, including unanticipated and emergency work identified by departments.

FISCAL IMPACT:
There is no direct fiscal impact as a result of today’s requested action. If approved, this request will result in establishing contracts totaling up to $98.0 million in capacity. Funding for issuance of job orders under the awarded contracts are budgeted by departments for specific project requests and in the Major Maintenance Improvement Program. There will be no change in net General Fund costs and no additional staff years.
BUSINESS IMPACT STATEMENT:
Expenditures resulting from this action would create private sector jobs and economic opportunities in San Diego County. Contractors in the job order contracting program provide jobs for small sub-contractors who may not have the insurance or bonding capabilities to bid directly for County of San Diego projects.

RECOMMENDATION:
CHIEF ADMINISTRATIVE OFFICER
1. Find that the proposed action is not subject to the California Environmental Quality Act (CEQA) under Article 5, Section 15060(c)(3) of the State CEQA Guidelines because it is not a project as defined by Section 15378.

2. Authorize the Director, Department of Purchasing and Contracting to advertise and award job order contracts and to take any action in accordance with Section 401, et seq. of the Administrative Code and Public Contract Code section 20128.5, with respect to job order contracting.

3. Designate the Director, Department of General Services as the County officer responsible for the administration of all contracts associated with job order contracting for the County of San Diego.

22. SUBJECT: NEIGHBORHOOD REINVESTMENT PROGRAM (DISTRICT: 1)

OVERVIEW:
The County of San Diego is fortunate to have an opportunity to reinvest taxpayer money into our communities for the benefit of the public. This action will assist the County in meeting the needs of the community.

The fiscal impact of these recommendations will result in a net gain in appropriations of $923,000. These actions will result in the addition of no staff years and no future costs.

**SUBJECT: PROMOTING VOLUNTEERISM FOR THE ANNUAL POINT-IN-TIME HOMELESS COUNT (DISTRICTS: ALL)**

**OVERVIEW:**
The U.S. Department of Housing and Urban Development (HUD) requires that Continuums of Care (CoC) conduct an annual count of homeless persons who are sheltered or unsheltered on a single night in January each year. Locally, the Regional Task Force on the Homeless (RTFH) is charged with leading community partners and volunteers in conducting this point-in-time count, better known as WeALLCount, as well as analyzing and publishing the data. Communities across the country will be conducting similar events during the last 10 days of January.

Although the figures that come out of this count are used to apply for federal funding, this survey also enables us to gain a better understanding of the scope, impact and potential solutions to address homelessness. The numbers from this count are broken down into subpopulation categories including counts of persons who are chronically homeless, persons with severe mental illness, chronic substance abusers, Veterans, persons with HIV/AIDS, and victims of domestic violence.

Each count is planned, coordinated, and requires many volunteers to accurately gauge the homeless population across the San Diego region. Last year, with more than 900 volunteers, the RTFH led a point-in-time count that uncovered 8,879 homeless persons in our region. This year more volunteers are needed to ensure we get a proper estimate of this at-risk population.
Thankfully, our County employees have always stepped forward in the spirit of volunteerism, whether manning the polls during elections or in their charitable giving. It is our hope now that County employees will once again come forward as volunteers in this effort to identify the extent of this critical issue. The count will take place from 4am–7am on Friday, January 24, 2014.

FISCAL IMPACT:
Funding associated with the recommendations is included in the CAO’s Fiscal Year 2013-14 Adopted Budget. The actual costs will be determined by the classification of employees who choose to volunteer. The funding source is a combination of general purpose revenues and program revenues. There will be no change in net General Fund cost and no additional staff years.

RECOMMENDATION:
CHAIRMAN GREG COX AND SUPERVISOR RON ROBERTS
1. Authorize the Chief Administrative Officer to establish a volunteer program to allow County employees to participate in the annual point-in-time count on January 24, 2014 on County time.

2. Find that allowing County employees to volunteer to participate in the annual point-in-time count on County time serves a public benefit by ensuring the region's homelessness can be quantified and federal funding can be secured to address the region's homeless population.

SUBJECT: ADOPT A RESOLUTION DECLARING SUPPORT FOR EMPOWER AMERICA AND THE EMPLOYMENT OF VETERANS (DISTRICTS: ALL)

OVERVIEW:
According to a joint report from the County of San Diego and San Diego Regional Chamber of Commerce, San Diego County is one of the largest military regions in the Unites States. The county is the third-largest in the United States in terms of veteran residents, and the number one destination for veterans returning from Iraq and Afghanistan. Demographically, these veterans are younger, better educated and earn higher incomes than national averages. Unfortunately, many veterans, especially young individuals who are more susceptible to higher unemployment rates than their older counterparts, may experience specific barriers when reintegrating into the civilian labor force.

Empower America is a non-profit company looking to expand their efforts into San Diego County to secure employment for veterans in the renewable energy industry. The company provides no-cost training to veterans, allowing them to earn the needed certificates to seek employment installing solar panels. Veterans are then placed on teams with existing contractors in the industry, allowing them to start work and gain experience right away. Empower America also assists veterans with
business start-up information in order for them to open their own renewable energy business. In addition to training and securing employment for veterans, Empower America works with public and private organizations to develop additional installation projects to ensure work for their partner contractors and qualified veterans.

Today’s action will adopt a resolution to formally declare the County of San Diego’s support for Empower America and the employment of veterans in the region.

26. SUBJECT: NOTICED PUBLIC HEARING:
ISSUANCE OF REVENUE OBLIGATIONS BY THE CALIFORNIA ENTERPRISE DEVELOPMENT AUTHORITY FOR THE BENEFIT OF ST. PAUL’S EPISCOPAL HOME, INC., ST. PAUL’S RETIREMENT HOMES FOUNDATION, ST. PAUL’S VILLA, INC. AND COMMUNITY ELDERCARE OF SAN DIEGO IN AN AGGREGATE AMOUNT NOT TO EXCEED $50,000,000 (DISTRICTS: 1 & 4)

OVERVIEW:
The County has received a request from the California Enterprise Development Authority ("CEDA" or "Authority") to conduct a public hearing as required by the Internal Revenue Code and to approve the Authority’s issuance of Revenue Obligations in an aggregate principal amount not to exceed $50,000,000 ("Obligations"), on behalf of St. Paul’s Episcopal Home, Inc., St. Paul’s Retirement Homes Foundation, St. Paul’s Villa, Inc., and Community Eldercare of San Diego, or related or successor entities (collectively, the “Borrowers”), each duly organized and existing under the laws of the State of California. The Borrower will use the proceeds of the Obligations to 1) acquire an approximately 4.5 acre parcel of land located at 1420 E. Palomar, Chula Vista, California 92193 and design, construct, equip, and furnish eldercare facilities on this new property consisting of approximately 154 assisted living and memory care units. 2) The proceeds will also be used to refinance existing debt obligations of the Borrowers outstanding in the aggregate principal amount of approximately $8,600,000, the proceeds of which were used for the acquisition, construction, renovation,
equipping and furnishing of eldercare and administrative facilities within the City of San Diego and City of Chula Vista. 3) Additionally the proceeds will be used to finance the costs of rehabilitation, improvement and equipping of the real property and improvements located at 235 Nutmeg Street, San Diego, California 92103, 2635 2nd Avenue, San Diego, California 92101, and 2606 3rd Avenue, San Diego, California 92103 ("Project") and to pay costs of such financing and refinancing.

CEDA is authorized to assist in financing for nonprofit public benefit organizations or for profit corporations with a public benefit project wishing to issue tax-exempt Obligations, including the Borrowers. In order to initiate such a financing, a member jurisdiction in which the Project resides, the Authority has requested the County of San Diego to: (1) conduct a public hearing to satisfy the public approval requirement of Section 147(f) of the Internal Revenue Code; and (2) approve CEDA’s issuance of the Obligations. Although CEDA will be the issuer of the Obligations for the Borrowers, the financing cannot proceed without the approval of a governmental unit having jurisdiction over the area, which includes the County of San Diego. Today’s recommendations will provide CEDA with the required authorization to pursue its determination to issue the Obligations on behalf of the Borrowers for the Project.

FISCAL IMPACT:
If approved, the proposal will result in $1,000 of unanticipated revenue to be used to reimburse the County for costs associated with this non-County financing. No additional staff years will be required.

The Borrowers will be responsible for the payment of all present and future costs in connection with issuance of the financing. The County will incur no obligation of indebtedness as a result of these actions.

30. SUBJECT: APPROVE A PUBLIC ORAL AUCTION TAX SALE OF TAX-DEFAULTED PROPERTY (DISTRICTS: ALL)

OVERVIEW:
When a property owner fails to pay property taxes by the end of the fiscal year, the property becomes tax defaulted. If the property remains tax defaulted for five years, the property then becomes subject to the Treasurer-Tax Collector’s Power to Sell. Statutory requirements are met pursuant to Revenue and Taxation Code §3691, et seq. prior to the property being offered at sale. The purpose of offering tax-defaulted property at a tax sale is to collect the unpaid taxes (redemption) and to return the property to a revenue-generating status. This is a request to approve the proposed sale of 495 parcels of tax-defaulted real property at a Public Oral Auction Tax Sale No. 7047 on or about Wednesday, March 19, 2014.

FISCAL IMPACT:
The selling price of each parcel will be used to redeem the defaulted and current year taxes. It will also reimburse the County for all Board approved cost recovery and statutory required fees and costs of sale, which includes the Public Auction Tax Sale Fee of $436 imposed under San Diego County Administrative Code §364.4, which became effective July 1, 2011.
If there are excess proceeds remaining after satisfaction of all redemption costs and fees, they will be retained in the defaulted tax sale trust fund for a period of one year following the date of the recordation of the tax deed to the purchaser of the property. During that period, the excess proceeds may be claimed by any party of interest having a recorded lien interest in the property at the time of the sale.

31. **SUBJECT:** FISCAL YEAR 2013-14 FIRST QUARTER OPERATIONAL PLAN STATUS REPORT AND BUDGET ADJUSTMENTS (DISTRICTS: ALL)

**OVERVIEW:**

If approved, in the General Fund, this action will establish additional appropriations of $28,014,225 and cancel budgeted appropriations of $60,505 resulting in a net increase in appropriations of $27,953,720. Of this amount, $21,065,923 is the appropriations for the negotiated one-time salary and benefit payments. OVERVIEW:
Nearly 1,000 lives are lost daily in the United States to Sudden Cardiac Arrest (SCA), a syndrome that often occurs in active, outwardly healthy people with no known heart disease or other health problems. In the County of San Diego, 668 people died last year of SCA, making it one of our region’s biggest killers.

While SCA is a life-threatening condition, it also is one that can be treated through early intervention with cardiopulmonary resuscitation (CPR), defibrillation, advanced cardiac life support and mild therapeutic hypothermia. Medical experts report that CPR is most effective when provided within three to five minutes of the start of symptoms. Emergency response times can often take more than six minutes. Clearly, the faster first responders can get to the victims, the greater the opportunities for saving lives.

Fortunately, new technology allows for the use of advanced mobile applications to greatly expand the number of trained San Diegans available to quickly respond to cardiac-related incidents. Using location-based services built into smartphones, this technology will, in seconds, match the location of a victim with that of the nearest trained CPR provider, an individual who will then be notified by message on their smartphone and provided a map showing both the victim’s reported location and closest Automated External Defibrillator (AED).

The U.S. pioneer in establishing these systems is the PulsePoint Foundation, founded from technology that emerged in California’s Silicon Valley and has since been incorporated within the structure of a specially-focused 501(c)3 non-profit. Since its 2011 founding, the PulsePoint system and smart phone app have been adopted throughout the United States to great success.

The potential introduction of the PulsePoint smartphone app for use throughout San Diego County already has drawn the support of a diverse group of public safety, first response and emergency service providers, including CalFIRE, The American Red Cross San Diego/Imperial Counties Chapter, UC San Diego Health Sciences and San Diego Gas & Electric. In addition, the city of San Diego Fire-Rescue Department is in discussions with PulsePoint, as is the North County Dispatch Joint Powers Authority.

By incorporating the PulsePoint app into the regional 9-1-1 emergency call system, the county will be empowering a new group of citizen first responders to help improve public safety and save lives.

FISCAL IMPACT:
Funds for this request are not included in the Fiscal Year 2013-14 CAO Revised Recommended Operational Plan. If approved, the Chief Administrative Officer will work to identify grants and partner funding in the estimated amount of $25,000 to $50,000 to support the implementation of the project and an estimated amount of $5,000 to $7,000 for annual operations. Approval of these
recommendations will result in no net General Fund cost and no additional staff years.

**RECOMMENDATION:**
**SUPERVISOR RON ROBERTS AND SUPERVISOR BILL HORN**
1. Direct the Chief Administrative Officer (CAO) to initiate discussions with regional emergency response system operators and the PulsePoint Foundation to establish a County-wide smartphone CPR notification system to alert nearby off-duty CPR-trained first responders.

2. Direct the CAO to identify grants and other sources of funds to underwrite the system’s start-up and initial operating costs and to take other actions needed to establish a County-wide smartphone CPR notification system in San Diego County.
