**The Next Generation of
Government Leaders**

A word from your YGL President, Tiffany Duval:

Are you interested in networking with other federal, state, and city employees? How about a professional development event on how to become a leader or a brown bag lunch with a leader from one of our agencies? Maybe networking at a social happy hour is more your speed, or bowling, or a Rockies game. YGL Denver is recruiting new members from all agencies. If you are interested in hearing more via email or in person, please contact Tiffany.Duval@onrr.gov or Amy.Lunt@onrr.gov.

A YGL representative can come give a 15 minute presentation to your agency. All ages of government employees are welcome. Young is a state of mind, anyone who wants to further their government career is welcome to join. YGL is free to all members.

American Lung Association's Anthem Fight for Air Climb!

On February 24, 2013, thousands of people will climb their way to the top of the the Republic Plaza to support the critical lung health programs of the American Lung Association in Colorado. This is more than your same-old 5K. This event is a vertical race to climb 56 floors and 1,098 steps. Whether climbing for a winning time, simply to cross the finish line or to honor someone who has lung disease, this event is a great way to challenge yourself physically. We guarantee that all finishers will have a new found respect for healthy lungs!
