News

A Letter From Our YGL President:

Fellow Denver YGL Members,

The year got off to a rough start thanks to the Government Shutdown. The new cabinet is in full swing now. Thanks for making our first happy hour event such a success. We had a huge turnout at the World of Beers – even if they didn't serve food! I also want to thank everyone that made our first-ever YGL Food Drive a huge success.

We collected over 50 pounds of food for The Action Center in Lakewood. A special thanks to Miranda Deters, our Community Involvement Chair for putting the event together. We have a couple of events coming up in the next month including our first ever Holiday-themed party on Friday, January 3.

If you would like to get more involved or have ideas/suggestions, let me know! You can contact me anytime at YGLDenver@gmail.com.

Regards,

Michael Nestlehut

Denver YGL President

Community Events

Urban Peak is a homeless shelter for teens. They are required to go to school or have a job. It's not just a place to sack out, as some would think. We are looking for more volunteers to help provide and serve food the **3rd Wednesday** of the month. There are a group of federal employees that get there around 6 and are usually done by 7. There is no dishwashing or cleanup involved. The teens take care of that. They are always so appreciative of what the volunteers do. It's a wonderful way to feel like you are making a difference in a young persons life. The group volunteers at the S. Bannock location. If you are interested in helping please contact Michael Nestlehut, Michael.Nestlehut@onrr.gov.
