

Captive Wildlife Rule Review Public Meetings

The Florida Fish and Wildlife Conservation Commission is hosting a series of public meetings to help shape captive wildlife regulations in Florida.

These meetings will give the public the opportunity to interact directly with Captive Wildlife staff and provide feedback on current captive wildlife rules, as well as recommendations for potential changes to regulations. Captive Wildlife staff will not be holding any presentations or open forum discussions. The primary purpose of these meetings will be for stakeholders to engage staff and make recommendations face-to-face.

The main topics for recommendations will be Administration, Husbandry/Experience, Caging and Licensing.

Meetings will be held from 4:00pm to 8:00pm at each of the eight locations.

Anyone interested in captive wildlife rules and regulations in Florida is encouraged to attend.
