### West End, Shelby, Airport Postal Sites Studied For Closure– From Courier Journal MLK Jr. Branch Serving West Louisville on the List

Three Louisville retail post office outlets are among nearly 3,700 across the country that are being studied for possible shut down, as the U. S. Postal Service continues to struggle with declining business and financial losses. Although the bulk of the branches being studied for possible closure are in rural areas, three of the sites are in Louisville: **the Martin Luther King Jr. branch at 2727 W. Broadway in the Russell neighborhood**, the Shelby Station at 2312 S. Preston St. and a bulk-mail and air-mail service center at 4440 Crittenden Drive near Louisville International Airport.

Postal officials said that users have **60 days to file comments at each site about the possible closure of each or call Consumer Affairs (502) 423-4220**. If a decision is made to close a location, users will be able to appeal to the independent Postal Regulatory Commission. Or, postal officials also could call a public meeting to gather comment. **Public has until September 27th to file comments.**

### West End Reunion in Chickasaw Park This Sunday July 31st!

Everyone has found someone on Facebook. Well, Curtis Simoneaux-Sears remembered the great memories growing up in Louisville's Westend and decided to reach out to those who had those same great memories with the group, "I Grew Up in the Westend of Louisville in the late 60's, 70's and 80's." The group is now touting over 2500 members.

The group has decided to take it old school and have a throwback hang out session in Chickasaw Park to reconnect with old friends who have since moved out of the Westend and out of Louisville. There's no big program planned, just friends gathering in the park like they used to, on **Sunday, July 31st.** This is Facebook at its finest... reuniting friends.
