Online Crime Mapping

Metro Watch, an online crime mapping tool, allows citizens to map crimes that have occurred in their neighborhoods during the past 90 days. Can be accessed from LMPD home page [Here](#)

www.LouisvilleKY.gov

The official website of Louisville Metro Government

When was the last time you explored the city's website, Louisvilleky.gov? It's been rated one of the top 5 city websites in America for the past 6 years! I think you'd be surprised by all the information and tools available to you. There's no way to cover all the features in this space, but did you know...

Quickfind - On the homepage, you can enter your address in MetroCall 311's Quickfind and find your junk set out dates, garbage day, yard waste day, your council district, your police district and beat number & fire district. Once you know your police district and beat number, you can go to the Metro Police website and click on their new crime map section where you can map crime around your address and subscribe to crime notifications.

MetroCall 311 QuickFind

Quickly find your junk set out dates, garbage and recycling pick up days, and public safety information.

Enter Street Address GO

Find more services & locations with **Map It**

- ✓ Start A Service Request
- ✓ Track A Service Request
- ✓ Live Chat with MetroCall
- ✓ MetroCall Website

If you click on the **MapIt** area in Quickfind, you can map city services and locations on a map, from driver licenses and county clerk locations to animal adoption locations to health clinics and much more. Below MapIt, you can start and track an online service request with MetroCall or live chat with MetroCall customer service during normal business hours.

You can see how your government is spending your money. Use the city's search engine to search for "transparency." The first page returned lets you see how the city spends its money, where it gets its money, search city expenditures & vendors, see employee salaries, put in an open records request and much more.

Want to attend a city planning or council meeting but don't know when they happen? The fastest way to find a board of zoning or planning meeting is to use the website's search engine and enter search terms such as planning meetings or BOZA. **In fact, the search engine is the fastest way to find much of what you are looking for.** And of course, the Metro Council website has a number of resources for you to look up existing local laws, speak at a meeting, see agendas, find popular ordinances, find events in your district and follow all of the work of the council.

Stay Informed – The city's site has a new digital subscription service called GovDelivery that allows you to subscribe to over 100 different e-news topics via email or text. Just look for the red envelope on the city's homepage.

And just below that, the CodeRED logo allows you to sign up for emergency alerts from the city, including severe weather alerts.

Mobile Apps – The city has two mobile apps for those of you with smart phones. Look for the links at the top of the city's homepage. Louisville Mobile features news, events, metro park features, restaurant inspection scores and more. MetroCall 311's mobile app lets you take a picture of a pothole or concern and submit it directly to the city for inspection!

On the Codes and Regulations website, www.louisvilleky.gov/ipl, you can search for property maintenance issues, create a building permit report, look up HVAC and electrical permits and submit a special event like a street block party completely online.

Pay for Something – The city now offers many different ways for you to get it done online. Just click on the Service Directory tab on the homepage for more information. Here's a list:

- License a pet
- Get an accident report
- Pay occupational taxes
- Get an electrical permit
- Get a HVAC & Mechanical Permit
- Get a building permit
- Pay a parking ticket
- Pay your water/sewer bill
- Pay your electric/gas bill
- Pay your cable TV bill
- Bid on surplus items
- Get a special events permit
- Pay child support electronically
- Donate to metro government
- Buy Louisville-related products
- Add money to a defendants account online
- Post bond for an inmate online

Map a bike route – The city's bike program, Bike Louisville, has a very cool tool called Ride the City that allows you to put in a start and stop address and map the safest route around town on a bicycle. Check it out at <http://www.ridethecity.com/louisville>

Do yourself a favor and save www.louisvilleky.gov in your favorites. You'll be amazed at the useful tools and information available!

COMPSTAT Beat Priorities

LOUISVILLE'S MOST WANTED

June 9, 2012

The idea for a Louisville's Most Wanted program was conceived by retired Detective Bill Burke. The program began as a cooperative effort between WDRB FOX-41 television station, and the Louisville Metro Police Department. Photos of the following individuals will be shown at 9:00 P.M. ON WDRB FOX 41. This program is shown in conjunction with *America's Most Wanted*. WDRB FOX-41 shows a 30 second public service announcement of two persons currently wanted by the Louisville Metro Police. The persons shown are wanted for felony warrants only.

The program originally aired on 8-17-92 during the popular hour-long program, *America's Most Wanted*. To date, the program *Louisville's Most Wanted*, has aired over 1600 wanted felony suspects, and has apprehended over 97% of that number. Suspects have been caught in over 20 states and three other nations.
