

**Block Watch Captain  
Crime Information Bulletin  
7<sup>th</sup> Division  
Major Mike Sullivan**

---

Hello Team and welcome to 2013! Thanks to everyone who was able to fill out the block watch captain's survey. The results of the survey have been analyzed and every comment read and considered in our future planning. I will be sending out reminders about our annual block watch captains meeting in March; next month I will start getting the RSVP list together. Block watch captains, co-captains, Home-Owner's Association personnel, and others will be asked to attend. I have met with several block watch captains individually and will continue to do so right up until the annual meeting to get important information we need to keep improving on the services that we provide all of you who take time to make a difference in your community.

For those of you who need help we are going to try to get that for you. We are going to target some neighborhoods to walk and pass out important information from LMPD Seventh Division which highlights the role that you play in our mission of providing the best service possible to the community. I am working on scheduling training and providing each of you with an important information packet. Also, if any of you are interested in applying for the Citizens Police Academy let me know and I will send you an application. It means one night a week (TUES) from 7PM to 9:30PM for twelve weeks.

Finally, the crime report is below. There are a couple of burglaries that are not on this report, but will be on next week's. If there is any other information you need please contact me. Thank you. Sgt Todd Brimm, LMPD
