## 6<sup>th</sup> Division Highlighted Officer of the Week

Mother Nature is currently assigned to the 6<sup>th</sup> Division. Mother Nature has been serving our community as far back as anyone can remember. She received a nomination for Officer of the Month in February. Below is a portion of the letter she received for her efforts.

During the third week of February, she single handedly slowed all criminal activity. Mother Nature was called in to conduct a stoppage based on her supreme power. This power allowed her to affect all things in the city. During this period she prevented countless crimes. While no one criminal was charged by her, the effects will be felt for some time.

Mother Nature should be recognized for her efforts in assisting the Louisville Metro Police Department.
