Louisville Grows presents
1st Annual Seeds & Start Sale!
Friday, April 24 & Saturday, April 25th
536 North 44th Street

Louisville Grows will hold its first **Seeds and Starts Sale** on **April 25th**, offering gardeners a myriad of naturally grown and lovingly raised perennials, annuals and herbs. As a gesture of thanks, we're offering you first pick of our plants at the **member's only preview sale** to be held on **April 24th from 5-7pm** at the People's Garden located at 536 N. 44th St. Members will receive a discount on seed and plant purchases on this day only, as well as free note cards with designs by local artist Lindsay Sant.

The Seeds and Starts program utilizes 3000 sq. feet of greenhouse space in the Shawnee Neighborhood for small-scale nursery production. We offer low-cost seeds and plants to residents of West Louisville groceries, hardware stores, and our annual sale! We're working to promote 'Snap Gardens' in which households use SNAP EBT benefits (Food Stamps) to buy seeds and plants which produce food for the household to eat. This is just one of the many programs you support with your membership or donation.

If you would like to renew your membership, you can do so by visiting <http://www.louisvillegrows.org/get-involved/become-a-member/>

PUBLIC HEARING FOR CITIZEN COMMENT ON THE DRAFT 2015-2019 CONSOLIDATED PLAN AND 2015 ACTION PLAN

Develop Louisville, a department of Louisville Metro Government, will hold a Public Hearing on **Monday, April 27, 2015** beginning at **6:00 p.m.** at the **Mayor's Gallery, 527 W. Jefferson Street, 4th floor.**

The purpose of the hearing will be to accept citizen comments on Louisville Metro's draft 2015-2019 Consolidated Plan, 2015 Action Plan, Citizen Participation Plan, and Analysis of Impediments to Fair Housing Choice. The draft Consolidated Plan and Action Plan outline proposed uses of U.S. Department of Housing and Urban Development (HUD) entitlement funds. The purpose of HUD entitlement funds is to provide decent, affordable housing, ensure suitable living environments, and expand economic opportunities, principally for low and moderate income persons.

The draft documents are available for review online at: <http://louisvilleky.gov/government/housing-community-development>.

Louisville's Urban Tree Canopy Assessment Open Comment Period

Attend the public meeting on May 14th

Louisville Metro Government's Urban Forester and Office of Sustainability & Louisville Mayor Greg Fischer invite you to comment on the city's first urban tree canopy assessment. Citizens and businesses are urged to provide input and ideas through the end of May, on the Tree Canopy Study — which can be downloaded at www.brightsideinc.org/louisville-tree-tracker. Input can be sent to communityforestry@louisvilleky.gov or submitted to the [Sustain Louisville](#) Facebook page. Citizen input will be combined with the results of the city's on-going Urban Heat Island Study, which will help complement the canopy study and provide further data on the tree canopy decline. This will lead to a citywide annual tree planting goal, to be announced this fall.

The city will also hold a series of public meetings, with the first scheduled for **Thursday, May 14 at 6:30 pm at Louisville Metro Hall.**

CHERI BRYANT HAMILTON, DISTRICT 5 COUNCILWOMAN

On Wednesday, April 22nd, Councilwoman Hamilton was interviewed by Columbia University School of Public Health Professor Dr. Lawrence D. Brown of the Department of Health Policy and Management.

Dr. Brown chose Councilwoman Hamilton to interview because of the outstanding public health and active living initiatives undertaken in District 5 over the last 8 years.

Dr. Brown was especially interested in finding out more about local policy initiatives and how we've encouraged residents to make more active use of the built environment concentrating on physical education and healthy living initiatives such as the Wet/Dry vote, Weed and Seed grant, West Market Street Corridor Improvement, the Portland and Shawnee Neighborhood Plans, the Shawnee Christian Health care center, the People's Garden, the Shawnee Garden of Principles, obstacle course at Whitney Young Elementary, the Shawnee Stroll Walkability Assessment, Healthy in a Hurry Corner Stores, Shawnee Youth Advocates, KIPDA Transportation Improvement program, Bike/Pedestrian Master Plan 5K Run and Walks in our parks, Silver Sneakers, the TARC route for the Louisville Loop, West Louisville Food Summit, New Roots Fresh Stops, Shawnee Walking Club, the Healthy Hometown movement and the Mayors Mile, Shawnee/Portland/Northwestern Livability Plan, Bicycling 101 classes at the Shawnee Library, Healthy cooking demonstrations and cooking classes and tastings, Olmsted Parkways Shared Use Path bicycle & pedestrian improvement projects, Network Center for Community Change Community Conversations about "Healthy in Shawnee", The Convergence Grant & Youth Substance Abuse Prevention grants, just to name a few.

Was your New Year's Resolution to make healthier choices in 2015? Do you have a child 8-12 years of age? Looking for something exciting to do during the summer? If you answered yes to the questions above, you qualify to participate in the 3 weeks; two days each week R.E.A.P. Project. The R.E.A.P. Project was created to partner with children and their families in the prevention of obesity and to promote healthy choices.

Participate in the 3 week sessions and earn cash gift cards, free groceries and access to free fitness coach. Classes will focus on: Physical Fitness / Cooking Classes / Incentives Food Justice / Health Equity / Groceries / Medical Exams!

TARC seeks input on proposed service reductions to cut costs

TARC is seeking public comments on service changes including less frequent bus service on its three most popular routes to help cut costs in the upcoming fiscal year which begins July 1.

Citizens can comment through Friday, May 22 by mail, e-mail, phone, Facebook or Twitter or attend public meetings held by TARC on Tuesday, May 12 and Wednesday May 13.

The proposed service reductions, which would save \$1.2 million next fiscal year, would take effect Sunday, Aug.16. Even with the reductions, buses would still arrive at stops every 13-15 minutes on the busiest stretches of Fourth Street (Rt. #4), Broadway (Rt. #23), and Dixie and Preston highways (Rt. #18) from 6 a.m. through the evening rush hour on weekdays.

Specific proposed service changes effective Sunday, Aug. 16 are:

#4-Fourth Street – Weekday bus arrival times will be every 13 minutes instead of every 10 minutes from 6:30 a.m. to 5:30 p.m. north of Central Ave. On Saturdays, bus arrival times will be extended from every 20 minutes to every 25 minutes from 10 a.m. - 6:30 p.m. On Sundays, bus arrival times will be every 25 to 30 minutes all day.

#18-Dixie- Preston Highway – Bus arrival times will remain every 15 minutes on the main parts of the route. On Dixie Highway south of Heaton Road, bus frequency will be reduced from every 15 to every 30 minutes. No changes are proposed on weekends.

#23 – Broadway– From 6 a.m.- 6 p.m. on weekdays, bus arrival times will be extended from every 12 to 13 minutes between Shawnee Park and Bardstown Road and Taylorsville Road. On weekdays, 20 minute bus frequency will begin at 8 p.m. instead of 9 p.m. Service frequency on route branches will be extended from every 36 minutes to every 39 minutes. No changes are proposed on weekends.

#65X - Sellersburg Express – Elimination of a mid-day round trip experiencing low ridership.

#25-Oak-Westport Crosstown – Bus arrival times will be adjusted slightly with no service reductions.

#17-Bardstown Road – The eastbound trip leaving 8th Street and Jefferson Street at 5:06 p.m. will instead leave at 5:11pm.

#40-Taylorsville Road – The westbound trips leaving Michael Edward Drive at 11:31 a.m. and 12:46 p.m. will leave 5 minutes later.

TARC is soliciting public input on the proposed changes through Friday, May 22.
