Frost students celebrate fundraising success

Students from Frost Middle School recently raised \$2,500 for Smile Train, an organization that provides surgery for children with cleft lip and palate.

Each year, Frost's Student Council chooses a charity to work with. Smile Train was this year's selection, and all students were encouraged to bring in their spare change to donate to the cause. Because the students met their goal of raising \$2,500, they were treated to a pep assembly, during which teachers participated in various entertaining events.

Teacher Michael Rais dyed his hair purple. Speech therapist Erin Radley kissed a pig. Several teachers

participated in a pie eating contest and a water balloon toss. Vice Principal Anthony Abbate and Principal Christina Berry faced off in a game of egg roulette, during which they cracked eggs over their heads to find out whether the eggs were raw or hard boiled.

"I am always so amazed by the generosity of the Frost community," said event organizer Erin Radley. "We have the most thoughtful parents, students, PTSA, and staff."

The funds raised will pay for surgeries for 10 children.

The Ever After

A ONE-ACT FAIRY TALE COMEDY
BY NATHAN HARTSWICK
MAY 1-2 | 7:00 P.M.
FRANKLIN HIGH SCHOOL
TICKETS \$5 AT THE DOOR

The Ever After will have you laughing

In *The Ever After*, a cheesy talk show host invites traditional fairy tale characters who have been estranged for 20 years to reconcile on live television. From Snow White and the Evil Queen to Cinderella and her middle-aged Ugly Stepsisters, this TV show parody asks the question, 'Can't we all just get along?' Complete with a trash-talking clairvoyant mirror, an unfortunate prince who is turning slowly back into a frog and many other wacky fractured fairy tale bits, this talk show spoof will be the talk of the town!

LPS students make a difference

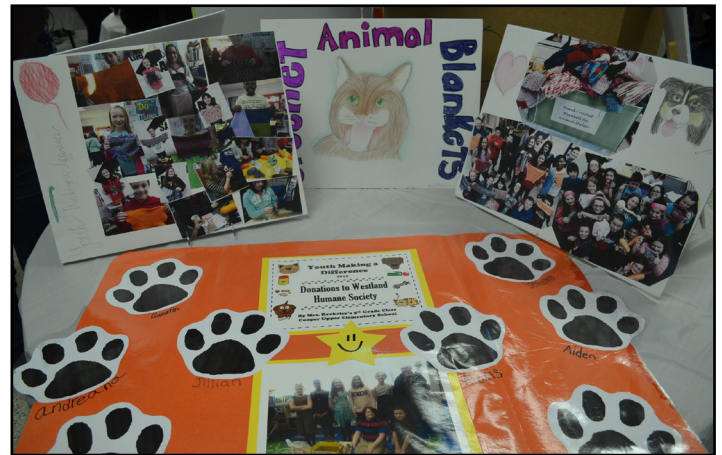

The PTSA Council's Youth Making a Difference event was held Tuesday at Stevenson High School, to celebrate the community service projects of nearly 1,900 students in Livonia Public Schools.

Students from the following schools participated in the projects, which benefitted animal shelters, community service organizations, youth programs and more:

- | | |
|-----------|-----------|
| Buchanan | Cass |
| Churchill | Cleveland |
| Coolidge | Cooper |
| Frost | Grant |
| Hayes | Holmes |
| Hoover | Johnson |
| Kennedy | Randolph |
| Riley | Rosedale |
| Stevenson | Webster |

The celebration event featured special guests LPS Superintendent Randy Liepa, Westland Mayor Bill Wild and Livonia Mayor Jack Kirksey, who encouraged students to continue doing good things for others.

"In your lives, you will see opportunities where you can make a difference. There are all of these great opportunities out there," said Mayor Kirksey.

Student projects benefitted many groups, including the Michigan Humane Society (above), the Make a Wish Foundation, and students at Hayes Elementary School (below).

Mayor Kirksey commended the students for their work in serving others.

Instead of gifts, Keara Eaton asked guests at her birthday party to donate to The Turtle Hospital in Florida, which provides food and surgeries to turtles.
