COURSE NAME: BUILDING 911 LIFEBRIDGES TO SUICIDAL CALLERS

**State of Michigan 911 Fund Approval #MCI200905A
Module 2 Endorsed**

INSTRUCTION BY: James Marshall, MA, LLP

DATES: April 8 & 9, 2015

LOCATION: Southfield, MI
Springhill Suites Conference Center
28555 Northwestern Highway
Southfield, MI 48034

TIME: 8:00am - 5:00pm each day

COST: \$359.00 per person

LODGING: Springhill Suites (248) 352-6100

REGISTRATION/ADDITIONAL INFORMATION:

on-line: www.911training.net

by e-mail: deborah@911training.net

by phone: #231-622-1600

COURSE DESCRIPTION:

As 911Pros you don't want to "wing it" with suicidal callers. Jim Marshall has created a fun, science-driven, powerful training to help you build a real LifeBridge to these callers.

- Gain awareness of the *impacts* of suicide in the life of the nation, our communities, and our families.
 - Increase your knowledge about the *causes* of suicide and related risk factors.
 - Learn to form a powerful "*lifebridge*" to suicidal callers with three key elements:
1. A genuine human *connection* that can buffer and help prevent suicide
 2. Suicide *risk-assessment* powered by the Institute's research-based *LifeBridges Guiding Flex-Protocol™*
 3. *Intervention* skills, strategies, and powerful messages to influence the caller's decision making process
- Maintain empathy balanced with healthy detachment so you can *manage your own distress* and mental health
 - Develop greater *confidence* as your knowledge and skill is increased

COMMUNICATIONS TRAINING OFFICER UPDATE

PROGRAM: This one-day workshop is designed for the experienced Communications Training Officer who has completed a basic Training and Evaluation course. The advanced strategies used in this presentation are designed to maximize the effectiveness of those responsible for teaching and training the new employee. Participants will have the opportunity to exchange and evaluate ideas, problems and solutions.

Activities will focus on skills required for a legally defensible, valid, reliable, and objective documentation and evaluation using the San José Model. Reviewing proper documentation and evaluation techniques along with reviewing other key elements in the Communications Training and Evaluation program are included in this training.

INSTRUCTOR: *DeWolf and Associates:* Dan A. DeWolf, has instructed "Communications Training Officer," "Field Training Officer," "Supervising and Managing the FTO Program," "Supervision of Police" and other related courses at the Oakland Police Academy, Northwestern University Center for Public Safety, Lansing Community College and various other institutions. He also responds as a training consultant with Police and Sheriff Departments and retired as a Lieutenant after 31 years of service with the Bloomfield Township P.D. Mr. DeWolf is a Past Director of the Michigan Chapter to the National Association of Field Training Officers (NAFTO).

DATE: April 14, 2015

TIME: 08:30 – 16:30

COMMUNICATIONS TRAINING OFFICER

CTO PROGRAM: This is a 40 – hour course designed for experienced communications officers to learn the “new job/task” of becoming a Communications Training Officer – CTO. It combines in-service training with objective evaluations to ensure that the standards of a competent communications officer are met. The program will emphasize the CTO’s role in teaching, training, coaching and evaluating the trainee. Each student will receive a Communications Training and Evaluation manual for this course.

COURSE OBJECTIVES:

- ⇒ Communications Training Personnel Selection
- ⇒ Utilizing the Standard Evaluation Guidelines
- ⇒ Communications Training Officer Conduct / Responsibilities
- ⇒ How the CTO Creates a Learning Environment
- ⇒ Remedial Training and the Problem Trainee
- ⇒ The Purpose of Documentation
- ⇒ Program Administration
- ⇒ Communications Training Program Operation
- ⇒ Performance Evaluations
- ⇒ Legal Issues for the CTO

INSTRUCTOR: *DeWolf and Associates:* Lt. Ed Dreslinski is a current 23-year veteran of the Ann Arbor Police Department. Lt. Dreslinski began his FTO career in 1995 as a F.T.O., Coordinator and in 2012 the Commander of the F.T.O. Program. In 2009, Lt. Dreslinski became Ann Arbor’s Emergency Manager and Dispatch Center Supervisor. He supervised 22 personnel in a 24/7 operation. He also was responsible for implementing and supervising the C.T.O. Program for his agency. Lt. Dreslinski received his Bachelor’s Degree in Marketing and Management from Northwood University and his Master’s Degree in Interdisciplinary Technology focusing on Emergency Management from Eastern Michigan University. Lt. Dreslinski is also a graduate of the School of Staff and Command at E.M.U.

L.O.C.K.-UP® CONTROLLING LARGER COMBATANTS OVERCOMING SIZE DIFFERENCES FOR FEMALE ENFORCERS

INSTRUCTORS: Sergeant Toni Weinbeck has been with the City of Brooklyn Park, MN, since 2004. She is currently assigned as a Sergeant on Patrol. Toni has held the positions of Patrol Officer, School Resource Officer, and Community Liaison Officer. Toni has an extensive combative/martial arts background, is an Advanced L.O.C.K.U.P.® Instructor and was personally recruited to the training team by Lt. Kevin Dillon (Founder of L.O.C.K.U.P.®)

Officer Josh Seifert has been serving with the Bloomington PD, MN since 2000. He is currently assigned to the patrol division's Mall of America Unit. In addition to his patrol duties, Josh has been a combative instructor since 2002 and is an Advanced L.O.C.K.U.P.® Instructor. Josh has been a SWAT Operator since 2004 and has won numerous combat pistol shooting competitions. He has studied Brazilian Jiu Jitsu, Goshin Jiu Jitsu, American and Thai Boxing and has extensive experience training law enforcement personnel.

COURSE DESCRIPTION: This two day course is designed for female officers to address violent encounters dealing with suspects of larger stature. When attempting control larger suspects, size and strength differentials necessitate combat strategies and techniques less reliant on pure upper body strength. The concepts and techniques can be utilized by **any officer** addressing a larger suspect. L.O.C.K.U.P.® Police Combat orientation provides the core of the instruction. The days are hands-on and mentally challenging. Officer's train and drill wearing vest and gun belt because anything else makes no sense.

TOPICS INCLUDE:

- L.O.C.K.U.P. Police Training System and Principals • Preparing Accurate Reports Documenting Incidents
- Risk Assessment and Threat Indicators • Tactical Communications and Verbal De-Escalation
- Understanding the Dynamics of Police Engagements • Team Approaches and Strategies
- Fear Management and Control • Understanding Mass/Power and Kinetic Energy
- Police Combat vs. Defensive Tactics • Overcoming/Understanding Size Challenges
- Fighting Techniques and Fatigue • Using Your Size to Your Benefit
- Circle of Combat Training • Angles of Attack and Escape
- Effective Skeletal Manipulations • Proper Weapon and Target Selection

DATE: April 20 - 21, 2015

Registration Deadline: March 20, 2015

TIME: 8:30 am - 4:30 pm

COST: \$375.00

LOCATION: Oakland Police Academy

Oakland Community College

2900 Featherstone Road

Auburn Hills, MI 48326-2845

Phone: (248) 232-4220

Fax: (248) 232-4225

Michigan State Police Training Academy

Training Announcement

DataMaster DMT Training

The purpose of this two-hour training is to train law enforcement personnel in the proper use of the DataMaster Transportable (DMT) breath alcohol testing instrument. Upon completion of this training, a certified operator will be able to administer a breath alcohol test on a suspected intoxicated subject in the state of Michigan using a DMT. The operator will be familiar with the operating principle of the DMT, know the exterior components of the instrument, and know the pretest, subject, and accuracy check procedures and sequences.

Officers must bring their five-digit MCOLES number with them to the training for the training to be reported to MCOLES.

Dates: April 8, 9, 10, 2015

Times: 9 a.m. to 11 a.m. (Thursday, Friday)
12 p.m. to 2 p.m. (Wednesday, Thursday)

Place: Emmett Township DPS
617 Cliff Street
Battle Creek, MI 49014

Class Size: Limited to 15

Cost: Free tuition. Mileage, lodging, meals, etc., are the responsibility of the agency/attendee.

Registration must be completed [online](#) at least one week in advance of the training date selected. Enter course code "1054530" in the Search by Course ID box, then click the course link. On the Registration tab, click Register. **OFFICERS NOT REGISTERED IN [MI-TRAIN](#) WILL NOT BE ALLOWED IN THE TRAINING.**

For more information, contact [Ms. Debra Schrauben](#), Traffic Services Section, at (517) 636-0301. This course is MCOLES approved.

DISCIPLINE & DISCIPLINARY INTERVIEWS

PROGRAM: The right to establish work rules and regulations would be meaningless without the right to enforce them. The employer could not effectively exercise its right and responsibility to maintain order and efficiency without the power to enforce those rules and regulations through the use of proper disciplinary procedures. Disciplinary investigation is the first step the supervisor must take in determining whether or not an employee has violated a work rule or regulation. It is extremely important to have all of the facts correct concerning the incident. Documentation of those facts is the key word in labor relations.

INSTRUCTOR: *DeWolf and Associates:*
Dan A. DeWolf, instructs
"Field Training Officer", "Supervising and Managing the FTO Program", "Supervision of Police" and other related courses at the Oakland Police Academy, Northwestern University Center for Public Safety, Lansing Community College and various other institutions. He also responds as a training consultant with Police and Sheriff Departments. He retired as a Lieutenant after 31 years of service with Bloomfield Township and is a Past Director of the Michigan Chapter to the National Association of Field Training Officers (NAFTO).

REGISTRATION/ADDITIONAL INFORMATION:

on-line: www.911training.net

by e-mail: deborah@911training.net

by phone: #231-622-1600

COURSE DESCRIPTION:

You will gain skills and knowledge for optimal performance and personal well-being with:

- Cutting edge knowledge about acute and traumatic stress, chronic stress, Compassion Fatigue AND The Sleep/Stress Dynamic
- New awareness about how these stress-conditions play out uniquely in your body, your 911 work, and outside life
- Personal skills and tools you can build into your daily life to prevent and manage these negative impacts
- "In-the-moment" strategies to manage your distress (and the caller's!) during 911 calls ranging from the most annoying and frustrating to those involving traumatic, life-threatening violence
- A fresh and more encouraging vision of your profession and a Personal Game Plan for you as a person and professional to live and enjoy your life to the fullest

In addition, you will discover tools to build great 911 relationships so you can look forward to going to work again! You will...

- Discover the Stress-driven Toxic Relationship Dynamics that drive workplace conflict, damage morale, and poison relationships
- Learn how to combat these toxic dynamics to create a 911 Culture of Respect by using keys to healthy team functioning
- Apply new skills and insights to help you shape healthier relationships in your PSAP and at home
