

PHILLIPS COMMUNITY UPDATE

Sector One - 3rd Precinct - Minneapolis Police Dept.

Oct. 19, 2012

East Phillips – Midtown Phillips – Phillips West - Ventura Village Neighborhoods

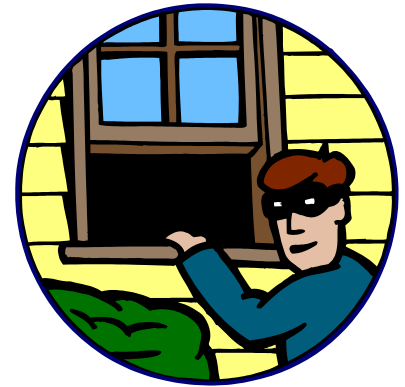

..... Highlights

-  **3rd Precinct Officers did an undercover prostitution detail on 13th and Lake Street. Six "Johns" (customers) were arrested.**
-  **We've had Officers out on every shift doing short foot beats in high crime areas. This last week we did 78 beats. Typically this means part of every hour, out on foot in our Targeted Enforcement areas.**
-  **We've been focusing a lot of activity in area around Peavey Park including Park Ave between Franklin and 18th St. due to an increase in drug activity.**

BURGLARY:

Over the last month or so, there's been a significant increase in residential burglary in the four neighborhoods in Phillips. Burglary means entering someone's home, garage or business to commit a crime – usually stealing items of value. We've had 19 burglaries throughout the Sector. Most occurred during daytime hours. About half of them were "forced" (i.e. broke a window, forced a door, etc.)

We can do a free Home Security evaluation of your home. Good physical security is the best defense against burglars. Just contact me - Don Greeley.
