## ***2013 Legislative Session Preview***

With the results of this year's election still fresh, the DFL now has majorities in the Senate and in the House. And many Minneapolis Legislators have been selected by their peers for significant leadership posts.

Please join Elizabeth in welcoming incoming **Speaker of the House Paul Thissen** (DFL-63A) and **Deputy Majority Leader of the Senate Jeff Hayden** (DFL-62) to Early Mornings with Elizabeth on November 30th! They will discuss the current makeup of the legislature, emerging priorities for the 2013 legislative session, and much more. This is a fantastic opportunity to hear from our legislative leaders and ask questions!
