2019-STfzp-47A v.3

Date 4-23, 2020

Representative Torbett

- 1 moves to amend the bill on page 9, lines 4-5, by inserting between those lines the following:
 2 **"SURRENDER OF TITLES TO CERTAIN SALVAGE VEHICLES WITH OUT-OF-**
 3 **STATE CERTIFICATES OF TITLES**
 4 **SECTION 7.3.(a)** G.S. 20-109.1 reads as rewritten:
 5 **"§ 20-109.1. Surrender of titles to salvage vehicles.**
 6 (a) Option to Keep Title. - When a vehicle is damaged to the extent that it becomes a
 7 salvage vehicle and the owner submits a claim for the damages to an insurer, the insurer must
 8 determine whether the owner wants to keep the vehicle after payment of the claim. If the owner
 9 does not want to keep the vehicle after payment of the claim, the procedures in subsection (b) of
 10 this section apply. If the owner wants to keep the vehicle after payment of the claim, the
 11 procedures in subsection (c) of this section apply.
 12 (b) Transfer to Insurer. -
 13 (1) If a salvage vehicle owner does not want to keep the vehicle, the owner must
 14 assign the vehicle's certificate of title to the insurer when the insurer pays the
 15 claim. The insurer must send the assigned title to the Division within 10 days
 16 after receiving it from the vehicle owner. The Division must then send the
 17 insurer a form to use to transfer title to the vehicle from the insurer to a person
 18 who buys the vehicle from the insurer. If the insurer sells the vehicle, the
 19 insurer must complete the form and give it to the buyer. If the buyer rebuilds
 20 the vehicle, the buyer may apply for a new certificate of title to the vehicle.
 21 (2) If a salvage vehicle owner fails to assign and deliver the vehicle's certificate of
 22 title to the insurer within 30 days of the payment of the claim in accordance
 23 with subdivision (b)(1) of this section, the insurer, without surrendering the
 24 certificate of title, may, at any time thereafter, request that the Division send
 25 the insurer a form to use to transfer title to the vehicle from the insurer to a
 26 person who buys the vehicle from the insurer. The request shall be made on a
 27 form prescribed by the Division and shall be accompanied by proof of
 28 payment of the claim and proof of notice sent to the owner and any lienholder
 29 requesting the vehicle's certificate of title. If the records of the Division
 30 indicate there is an outstanding lien against the vehicle immediately before the
 31 payment of the claim and if the payment was made to a lienholder or to a
 32 lienholder and the owner jointly, the proof of payment shall include evidence

1 that funds were paid to the first lienholder shown on the records of the
2 Division. The notice must be sent by the insurer at least 30 days prior to
3 requesting the Division send the insurer a form to use to transfer title and must
4 be sent by certified mail or by another commercially available delivery service
5 providing proof of delivery to the address on record with the Division. Upon
6 the Division's receipt of such request, the vehicle's certificate of title is deemed
7 to be assigned to the insurer. Notwithstanding any outstanding liens against
8 the vehicle, the Division must send the insurer a form to use to transfer title to
9 the vehicle from the insurer to a person who buys the vehicle from the insurer.
10 The Division's issuance of the form extinguishes all existing liens on the motor
11 vehicle. If the insurer sells the vehicle, the insurer must complete the form and
12 give it to the buyer. In such a sale by the insurer, the motor vehicle shall be
13 transferred free and clear of any liens. If the buyer rebuilds the vehicle, the
14 buyer may apply for a new certificate of title to the vehicle. This subdivision
15 applies to a salvage vehicle located within this State regardless of whether the
16 salvage vehicle has been issued a certificate of title in another state.

17 (3) Notwithstanding any other provision of law, with respect to a vehicle described
18 in this subsection, the following shall be exempt from the requirements of
19 notarization, including exemption from the notarization of electronic
20 signature requirements of G.S. 20-52(c):

- 21 a. The transfer of ownership on the certificate of title.
- 22 b. Any power of attorney required in connection with the transfer of
23 ownership to the insurer.
- 24 c. Any required odometer disclosure statement.
- 25 d. The application for a salvage certificate of title.
- 26 e. The transfer of ownership on the salvage certificate of title issued.
- 27 f. Any statement pursuant to subdivision (2) of subsection (b) of this
28 section.
- 29 g. Any statement on the salvage certificate of title issued.

30 ...

31 (e1) Owner or Lienholder Abandons Vehicle. - If an insurer requests a used motor vehicle
32 dealer, the primary business of which is the sale of salvage vehicles on behalf of insurers, to take
33 possession of a salvage vehicle that is the subject of an insurance claim and subsequently the
34 insurer does not take ownership of the vehicle, the insurer may direct the used motor vehicle
35 dealer to release the vehicle to the owner or lienholder. The insurer shall provide the used motor
36 vehicle dealer a release statement authorizing the used motor vehicle dealer to release the vehicle
37 to the vehicle's owner or lienholder.

38 Upon receiving a release statement from an insurer, the used motor vehicle dealer shall send
39 notice to the owner and any lienholder of the vehicle informing the owner or lienholder that the
40 vehicle is available for pick up. The notice shall include an invoice for any outstanding charges
41 owed to the used motor vehicle dealer. The notice shall inform the owner and any lienholder that
42 the owner or lienholder has 30 days from the date of the notice, and upon payment of applicable
43 charges owed to the used motor vehicle dealer, to pick up the vehicle from the used motor vehicle

1 dealer. Notice under this subsection must be sent by certified mail or by another commercially
2 available delivery service providing proof of delivery to the address on record with the Division.
3 If the owner or any lienholder of the vehicle does not pick up the vehicle within 30 days after
4 notice was sent to the owner and any lienholder in accordance with this subsection, the vehicle
5 shall be considered abandoned, the vehicle's certificate of title is deemed to be assigned to the
6 used motor vehicle dealer, and the used motor vehicle dealer, without surrendering the certificate
7 of title, may request that the Division send the used motor vehicle dealer a form to use to transfer
8 title to the vehicle from the used motor vehicle dealer to a person who buys the vehicle from the
9 used motor vehicle dealer. The request shall be accompanied by a copy of the notice required by
10 this subsection and proof of delivery of the notice required by this subsection sent to the owner
11 and any lienholder. Notwithstanding any outstanding liens against the vehicle, the Division must
12 send the used motor vehicle dealer a form to use to transfer title to the vehicle from the used
13 motor vehicle dealer to a person who buys the vehicle from the used motor vehicle dealer. The
14 Division's issuance of the form extinguishes all existing liens on the motor vehicle. If the used
15 motor vehicle dealer sells the vehicle, the used motor vehicle dealer must complete the form and
16 give it to the buyer. In such a sale by the used motor vehicle dealer, the motor vehicle shall be
17 transferred free and clear of any liens. If the buyer rebuilds the vehicle, the buyer may apply for
18 a new certificate of title. This subsection applies to a salvage vehicle considered abandoned
19 pursuant to this subsection located within this State regardless of whether the salvage vehicle has
20 been issued a certificate of title in another state.

21"
22 **SECTION 7.3.(b)** The Division of Motor Vehicles of the North Carolina Department
23 of Transportation shall rely on the information provided by the owner, insurer, authorized agent,
24 or applicant on any approved State form or the transfer of a salvage title from an owner to an
25 insurer or used motor vehicle dealer, the primary business of which is the sale of salvage vehicles,
26 pursuant to G.S. 20-109.1(b) and (e1). Reliance on the foregoing by the Division shall relieve
27 the Division from any liability to any third-party claiming failure to comply with this Section.

28 **SECTION 7.3.(c)** This section is effective when it becomes law. Subsection (a) of
29 this Section expires August 1, 2020."
