

I-84 PAVING PROJECT

➤ About the Project

This summer, ODOT will repave Interstate 84 between Interstate 5 and Interstate 205. The pavement on I-84 has become severely rutted since it was last paved over ten years ago. The project will completely remove and replace the old pavement to improve safety. Construction is scheduled to begin in July and be completed by the end of 2013.

➤ Project Map

➤ Key Elements of the Project

- Repave I-84 lanes in both directions
- Repave I-84 ramps
- Install new signs
- Restripe the I-84 westbound merge with I-5 to improve safety and traffic flow (*See other side for more details*)
- Two full weekend closures, one modified weekend closure and four full nighttime closures

Traffic Changes to I-84 / I-5 Merge

During peak travel times, twice as many vehicles travel from I-84 westbound to I-5 southbound than to I-5 northbound and the Convention Center/Rose Garden exit.

In order to help reduce the number of rear end and sideswipe collisions that result from traffic backing up and last-minute lane changes in this busy area, the I-84 westbound merge will be restriped as follows:

- Two dedicated lanes from I-84 westbound to I-5 southbound.
- One dedicated lane from I-84 westbound to I-5 northbound and the Convention Center/Rose Quarter exit.

I-5 Southbound		51,330 ADT
I-5 Northbound		21,150 ADT
Convention Ctr/ Rose Quarter		3,800 ADT
ADT: Average Daily Trips		

Summer Closures & Traffic Impacts

The following preliminary schedule of weekend closures is weather dependant and **subject to change**. Get updated information in advance of each planned closure on the project website, Tripcheck.com, or by calling (503) 731-4663.

Subject to change

Weekend Closures

- **Friday, July 12th** (starting 10:00 p.m.) **through Monday, July 15th** (ending 5:00 a.m.)
I-84 eastbound closed from I-5 to I-205 for paving
- **Friday, July 19th** (starting 10:00 p.m.) **through Monday, July 22nd** (ending 5:00 a.m.)
I-84 westbound closed from I-205 to I-5 for paving
- **Saturday, Aug. 3rd** (starting 11:00 p.m.) **through Monday, Aug. 5th** (ending 5:00 a.m.)
I-84 westbound closed from I-205 to I-5 for restriping the I-5 merge & sign installation

Nighttime Closures

- The contractor is also allowed **four full nighttime closures** (two in each direction), which have not been scheduled yet.
- Nighttime single lane and ramp closures will occur as needed.
