As we celebrate the 10th Anniversary of TULISOMA, we feel a sense of satisfaction that it is the premier African American literary festival of the Southwest.

Its organizers, audience and sponsors represent the depth and breadth of the diversity of the DFW Metroplex. We are excited as we prepare to take the Festival to the next level.

This was a wonderful tour to educate everyone about Southern Dallas in particular, where we can take out of town visitors for a deeper appreciation of our city.
