

Texas Department of Motor Vehicles

Dear Customer:

The December registration renewal notice we sent you reflects a change in your specialty license plate fee that does not go into effect until December 1, 2014. Unfortunately, we were unable to process your payment at the renewal rate you submitted. We are therefore returning your renewal and ask that you resubmit it to your tax assessor-collector on or after December first. If you would like to renew at the current price, you may renew in-person or online at [www.texas.gov](http://www.texas.gov). We apologize for the inconvenience.
