1 Document Overview

1.1 Purpose

The purpose of this document is to provide release notes that describe the new features and enhancements for webDEALER 2.3.0.

1.2 Scope

The scope of this document includes updates to webDEALER 2.3.0. For more information refer to the *webDEALER Commercial Fleet Buyer User Guide*.

1.3 Audience

The intended audience for this document are commercial fleet buyer users.

2 Release Notes

Following are the enhancements to webDEALER that are implemented in webDEALER 2.3.0:

2.1 Registration Period

24 months of registration is required for new vehicles purchased by a commercial fleet buyer on a Manufacturer's Certificate of Origin for eligible registration classes when a two year inspection has been issued.

2.2 Increased Maximum Allowance of Unapproved Transactions

The maximum number of unapproved title applications for a commercial fleet buyer can be set to 5000. webDEALER defaults to a minimum of 50.

Note: The number of "unapproved title applications" is comprised of both in-process title applications and submitted title applications awaiting approval.

2.3 webDEALER User Guides

By selecting the **Support** button on the webDEALER Home Page, the **Support** page containing a link to the *webDEALER Commercial Fleet Buyer User Guide* will be displayed.

2.4 Upload Supporting Documentation

The selection of **Additional Supporting Document** is available under the **Document Type** dialog box when commercial fleet buyers upload documentation. Commercial fleet buyers can upload an additional supporting document type under this new selection when uploading an individual document.

2.5 Corrected Confirmation When Voiding Title Applications

The **Confirm Request** dialog box has been updated to reflect "Unit #."
