The new Bolton Market is the talk of the town right now. On Friday 14th February and Saturday 15th February (9am to 5pm) we will be holding special celebration events to mark the official launch with lots of activities and we'd really love you to join us!

We hope you'll fall in love this Valentines Day with our brand new 'lifestyle' hall. It's packed full of products as well as a great new food court and seating area so you can enjoy a tasty bite to eat while you shop.

New additions to the hall include a tropical florist, a specialist coffee shop, a patisserie a real ale bar and a vast array of tasty food choices along with some old favourites including fashions, jewellery, handbags and electrical goods. Add that to our award-winning food halls and you'll find everything from exotic fruit and veg, Mediterranean delis, locally sourced meats and cheeses to the region's best outlet for fresh fish. All at great prices too!

Special Guest Simon Rimmer!
On Friday 14th February as well as a host of entertainment and activities you'll get the chance to meet our new market ambassador, celebrity chef Simon Rimmer.

Hope to see you there!
Remember shopping locally not only helps save you money, it supports local life and independent businesses by keeping money and jobs within the community.
