Understanding Medicare Webinar

In response to your requests, the CMS National Training Program is pleased to offer an Understanding Medicare webinar on January 14, 2014.

This training session is a good opportunity for new partners to learn more about the Medicare program. Pre-registration for this training event is **not** necessary.

Participants will receive a comprehensive overview of the parts of the Medicare program, and Medicare coverage options, learn about Medicare-covered

services and supplies, and about resources for additional information. Continuing education credits will not be offered for participating in this session. Mark your calendar, and join the webinar as described below.
