### CMS National Training Program Resources

The following training resources have been posted in the NTP Training Library:

[Spanish version of Coordination of Benefits workbook](#)

[Spanish version of Medicare Preventive Services workbook](#)

[Medicare Puzzles for Introducing Training](#)

[2014 Medicare Part D Low Income Subsidy \(LIS\) and Resource Standards](#)

### CMS Publications

[Coordination of Benefits: Getting Started](#)

Learn how Medicare works with other kinds of health insurance or drug coverage and who should pay your bills first.

[Medicaid Spend Down](#)

This partner-focused publication explains the “spend down” process for people with Medicare and Medicaid that get Extra Help.

[4 Ways to Help Lower Your Medicare Prescription Drug Costs](#)

Learn about four programs that can help with Medicare prescription drug costs.

## Helpful Tips for Using Health Insurance

With the closing of the 2014 Marketplace open enrollment period, we now look to how to help people understand how to use their new insurance.

There are a number of resources on [HealthCare.gov](#) to help people understand how to get medical care and find a doctor, get prescription medication, get emergency care, and how they can use their new coverage to improve their health. People who have insurance through the Health Insurance Marketplace

are especially encouraged to take a look at the [A Roadmap to Better Care and A Healthier You](#) that's posted online.

This roadmap walks people through a step-by-step guide on what having health insurance means, how to use your card, and how to set up your first visit with a health care provider.
