Teleconference Invitation

Temporary Protected Status Designations for Liberia, Guinea and Sierra Leone Tuesday, May 12, 2015 3 p.m. (Eastern)

U.S. Citizenship and Immigration Services (USCIS) invites you to participate in a stakeholder teleconference on **Tuesday, May 12, from 3 to 4 p.m. (Eastern)** to discuss the Temporary Protected Status (TPS) designations for Liberia, Guinea and Sierra Leone.

Due to the outbreak of Ebola virus disease in West Africa, Secretary of Homeland Security Jeh Johnson designated [Liberia, Guinea and Sierra Leone](#) for TPS for 18 months, effective November 21, 2014, through May 21, 2016. As a result, eligible nationals of Liberia, Guinea and Sierra Leone (and people without nationality who last habitually resided in one of those three countries) may apply for TPS if they have continuously resided in the United States since November 20, 2014, and meet other eligibility requirements.

The 180-day registration period to apply began on November 21, 2014, and **ends on May 20, 2015**. Individuals granted TPS will not be removed from the United States, as long as their TPS remains in effect, and they may obtain an Employment Authorization Document (EAD). You can find more information in the Federal Register notices published Nov. 21, 2014, and at uscis.gov/tps.

During this teleconference, USCIS officials will explain the registration procedures, provide information on EADs and fee waivers, and respond to your questions and concerns.
