SAVE CaseCheck Enhancements
Thursday, September 24, 2015
1 - 2 p.m. (Eastern)

U.S. Citizenship and Immigration Services (USCIS) invites you to participate in a national stakeholder event on **Thursday, Sept. 24**, from **1 to 2 p.m. (Eastern)** to learn more about the Systematic Alien Verification for Entitlements ([SAVE](#)) Program's newest enhancements to SAVE CaseCheck. We welcome SAVE user agencies, stakeholders and applicants for public benefits to join this event.

[SAVE CaseCheck](#) is a free online service for applicants for federal, state or local benefits to follow the progress of their SAVE verification case by using their case verification number. Now SAVE CaseCheck will allow benefit applicants additional means of checking the status of their verification case by using numeric identifiers from select immigration documents, in combination with their date of birth.

During this webinar, representatives from USCIS will present an overview of these enhancements to SAVE CaseCheck, review best practices for agencies and resources for benefit applicants, and answer questions on the SAVE verification process.
