

Washington State Department of  
**Early Learning**

## Parent and family caregiver participation needed!

*Do you have young children in Washington?*

*Do you have opinions and ideas?*

*Do you have time to share them with us?*

*We want to hear from you!*

The Department of Early Learning is seeking up to 50 parents and family caregivers of children birth through 8 to join us for a brainstorming session on April 21 and 22.

We at DEL want to hear from a broad group of parents and family caregivers.

Your voice will help us plan for ongoing parent and family caregiver partnerships so that DEL and partners hear what is important to children, families and communities. This includes helping plan for a strong ongoing Parent Advisory Group.

### More about the Parent Advisory Group

The Parent Advisory Group helps ensure that DEL includes parent voice in agency policy and program decisions, including child care subsidies, agency rules, and quality improvement efforts. The group will meet in person and by phone.
