MADISON – With summer travel just around the corner, your list of to-dos this vacation season is probably spilling off the page...but if you can sneak one more quick and easy chore on to the pile, add “Sign up for Wisconsin’s No Call List.”

The next quarterly deadline for registrations is May 31, and the Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP) is reminding Wisconsin residents to add their numbers to the list or to renew their registrations if it has been more than two years since the number was added.

The free no call service, offered through DATCP, covers residential land and cell phone lines. Consumers must re-register every two years to stay active.

To add your residential landline, cell phone or VoIP number(s) to the list, visit nocall.wisconsin.gov or dial 1-866-9NO-CALL (1-866-966-2255). The website and toll-free number are available all day, every day.

Wisconsin residents who add their numbers to the list by May 31 will receive protection from unsolicited telemarketing phone calls and text messages starting on July 1.

The list is updated four times per calendar year (January 1, April 1, July 1 and October 1). The registration process is continuous, but those who sign up after the upcoming quarterly deadline will not be added to the list until October 1 at the earliest.

Political calls, calls from non-profit organizations and calls made in response to your written or verbal request or permission are not covered by the No Call law. Additional information is at nocall.wisconsin.gov.

For more information on the program or to file a consumer complaint, visit the Consumer Protection website at datcp.wisconsin.gov, send an e-mail to datcp hotline@wisconsin.gov or call toll-free at 1-800-422-7128.
