

TARGET HUNGER DEER DONATION 2013

Funded by Wisconsin's Wildlife Damage Program and Donations

Your donations are very important to the lives of many who are less fortunate. Please join the efforts of the Southwest Wisconsin Community Action Program -Target Hunger, processors, businesses, churches and community organizations in the effort to make our venison donation distribution a success this hunting season. Last year 455 deer were donated within the CWD management zone and yielded 22,750 lbs. of venison that helped to feed 24,762 households in 13 counties!

HUNTERS, you can help feed needy people in southern Wisconsin this fall by taking five simple steps:

- ♣ **Donate any legally harvested deer TAKEN INSIDE THE CWD ZONE by dropping it off at a participating processor by Feb. 1, 2014. DEER REGISTERED WITH A RED METAL TAG MAY BE DONATED TO THIS FOOD PANTRY PROGRAM. Adult deer donated to the TARGET HUNGER program will be tested for CWD before going to food pantries.**
- ♣ **Field dress the deer and register it at a WI DNR registration station prior to donating the deer. Handle the carcass as if it was destined for your own table.**
- ♣ **Call First! Contact one of the participating processors before dropping the deer off to verify the processor has space to accept your deer.**
- ♣ **Donate the entire deer to receive the processing costs for free (head & antlers may be kept for mounting).**
- ♣ **When dropping your deer off at a processor, please sign the log sheet indicating your desire to donate the deer. We'll do the rest.**

Please consider making the switch to non-toxic ammunition. Even a very small amount of lead in a carcass is harmful to humans and wildlife. Thank you and have a safe and enjoyable hunt!
