

WISCONSIN DEER DONATION 2013

Funded by Wisconsin's Wildlife Damage Program and Hunter Donations

HUNTERS, you can help feed needy people throughout Wisconsin this fall by taking five simple steps:

- ♣ **Donate any legally harvested deer TAKEN OUTSIDE THE CWD ZONE by dropping it off at a participating processor by Feb. 1, 2014. DEER REGISTERED WITH A RED METAL TAG MAY NOT BE DONATED TO THIS FOOD PANTRY PROGRAM. However, RED TAGGED deer may be donated to TARGET HUNGER. Adult deer donated to the TARGET HUNGER program in the CWD Zone will be tested for CWD before going to food pantries.**
- ♣ **Deer taken outside of the southern Wisconsin CWD Management Zone and sampled for a CWD test may only be donated to a venison processor who has agreed to accept these deer. These processors are marked with an asterisk.**
- ♣ **Field dress the deer and register it at a WI DNR registration station prior to donating the deer. Handle the carcass as if it was destined for your own table.**
- ♣ **Call First! Contact one of the participating processors before dropping the deer off to verify the processor has space to accept your deer. Some counties with metro deer management units may be accepting deer until the end of the metro hunts. Check locally with your processor.**
- ♣ **Donate the entire deer to receive the processing costs for free (head & antlers may be kept for mounting).**
- ♣ **When dropping your deer off at a processor, please sign the simple log sheet indicating your desire to donate the deer. We'll do the rest.**
- ♣ **Please consider making the switch to non-toxic ammunition. Even a very small amount of lead in a carcass is harmful to humans and wildlife. Thank you and have a safe and enjoyable hunt!**
