

WISCONSIN DEER DONATION 2014

Funded by Wisconsin's Wildlife Damage Program and Hunter Donations

HUNTERS, you can help feed needy people throughout Wisconsin this fall by taking four simple steps:

- ♣ **Donate any legally harvested deer by dropping it off at a participating processor by Feb. 1, 2015. DEER REGISTERED WITH A RED METAL TAG must be tested for CWD before processing and can only be donated in Adams, Columbia, Dane, Grant, Green, Iowa, Jefferson, Juneau, Kenosha, Lafayette, Portage, Racine, Richland, Rock, Sauk, Walworth, and Waukesha counties.**
- ♣ **Deer taken outside of the above listed counties and sampled for a CWD test may only be donated to a venison processor who has agreed to accept these deer. These processors are marked with an asterisk.**
- ♣ **Prior to donating the deer, field dress and register it at a WI DNR registration station or obtain and write your confirmation number on the carcass tag if participating in the e-registration pilot program. Handle the carcass as if it was destined for your own table. Donate the entire deer to receive the processing costs for free (head & antlers may be kept for mounting).**
- ♣ **Call First! Contact one of the participating processors before dropping the deer off to verify the processor has space to accept your deer. Some counties with metro deer management units may be accepting deer until the end of the metro hunts. Check locally with your processor.**
