The Menlo Park Historical Association Presents

Tales of Magic and Blarney!

With Storyteller Ruth Halpern

Ruth Halpern will tell stories of magic and blarney (that's "charming nonsense" to Americans) in honor of St. Patrick's Day, including tales of fairies, leprechauns, pots of gold, funny giants and Irish riddles for **ages 5 to 105**. Like a good Irish folktale, she will surprise and enchant you.

Ruth Halpern has been telling stories around the world professionally for more than 20 years. She specializes in stories with a twist, so be ready for the unexpected!
