The Commission cannot respond to non-agendized items other than to receive testimony and/or provide general information.

C. CONSENT

Items on the consent calendar are considered routine in nature, require no further discussion by the Planning Commission, and may be acted on in one motion unless a member of the Planning Commission or staff requests a separate discussion on an item.

- C1.** [Approval of minutes from the January 13, 2014 Planning Commission meeting](#)
- C2.** [Confirmation of the Summary of the Planning Commission Comments and Recommendations for the General Plan Update Scope of Work](#)

D. PUBLIC HEARING

- D1.** [Use Permit/Casey Cramer/228 Princeton Road](#): Request for a use permit to demolish an existing single-story, single-family residence and construct a new two-story, single-family residence on a substandard lot with regard to lot width in the R-1-U (Single-Family Urban) zoning district.

- D2. [Conditional Development Permit Amendment/Bob Linder/350 Sharon Park Drive](#): Request for a Conditional Development Permit (CDP) amendment for a project at an existing multi-building apartment complex located in the R-3-A-X (Garden Apartment, Conditional Development) zoning district. The project would include the demolition of the existing recreation building, the construction of a new recreation building and a new leasing office and associated parking area, façade improvements to all of the existing apartment buildings, and landscaping modifications. The proposed modifications would result in an increase in the maximum building coverage of up to 40 percent at the subject site, which would exceed the current maximum of 30 percent, set by the existing CDP. The proposed amendment to the existing CDP (which covers multiple sites in the vicinity) would apply only to the subject site, and would not alter the development standards for any of the other properties within the CDP. As part of the proposal, up to 42 heritage size trees throughout the approximately 15.6-acre site are proposed for removal, which represents a reduction from the 62 heritage tree removals previously proposed. The Environmental Quality Commission reviewed the proposed heritage tree removals at its meeting on December 18, 2013. ***Continued from the meeting of November 4, 2013 and originally rescheduled and noticed for the meeting of January 27, 2014.***

E. REGULAR BUSINESS

- E1. [Architectural Control/Rob Fischer/1090 El Camino Real](#): Request for architectural control to allow exterior modifications to an existing two-story commercial building in conjunction with a restaurant use in the SP-ECR/D (El Camino Real/Downtown Specific Plan) zoning district. The proposed exterior modifications would include removing an existing arbor in the plaza shared with Menlo Center (1010 El Camino Real), relocating the main entry from the El Camino Real frontage to the Santa Cruz Avenue frontage, installing a new canopy at the main entry, adding a new exterior staircase on the Santa Cruz Avenue frontage within the shell of the existing building, and constructing a new rooftop deck at the rear of the existing building. The rooftop deck would include an elevator penthouse, stair enclosure, and a canopy shade structure. The proposed restaurant would include outdoor seating on the ground floor in the plaza, as well as on the rooftop deck. The gross floor area for the building would not increase as part of the project.

F. STUDY SESSION

- F1. **Housing Element/City of Menlo Park**: Study Session to review, discuss and comment on the proposed draft Zoning Ordinance amendments to Chapter 16.79 (Secondary Dwelling Unit) pertaining to secondary dwelling unit development standards, including reducing the minimum lot size eligible for a secondary dwelling unit (without a use permit) to 5,750 square feet to encourage the creation of more units and reducing the setback requirement for an existing and permitted accessory structure to allow for conversions of accessory structures to secondary dwelling units when specific criteria are met. In addition, amendments to Section 16.68.030 (Accessory Buildings and/or Structures) are also proposed. The modifications include establishing new setbacks for an accessory structure, dependent upon the use of the structure and to add a limit on the number of plumbing fixtures in a structure to distinguish use of an accessory structure from a secondary dwelling unit. Both amendments could also include language and formatting modifications for clarification and consistency purposes. ***Continued from the meeting of January 27. [Staff report](#) and [presentation](#) from the meeting of January 27.***

G. INFORMATION ITEMS
