

### Round 2 - Cheesecakes

Following on from the cake-off leading up to the Christmas break, the next round of baking was chosen and Cheesecake was pulled from the list of options. The participants for this round were Barbara, Annmarie, Lucy, Debbie, Karen and Katrina with Alma and Lance choosing to partake solely in the tasting element, I think they may have had the right idea.

Week 1 saw Barbara and Annmarie square off in cheesecake wars.

Barbara made a baked lemon and raspberry cheesecake whilst Annmarie made a non-baked lime and white chocolate cheesecake with a ginger nut base.

Week 2 saw Debbie and Katrina's creations.

Debbie made a baked chocolate and vanilla Oreo cheesecake whilst Katrina made a non-baked mint cheesecake with hob-nob base.

The final week saw the turn Karen and Lucy.

Karen made a baked salted caramel cheesecake whilst Lucy made a baked Nutella cheesecake with chopped hazelnuts and raspberries.

Round 3 has been chosen....let the battle of Savoury Pastry commence!!

Further details to follow in the next edition.
