

Webinar

For Alaskan clinicians only.

SCOPE Live Webinar... FREE!

COVID-related challenges will also be discussed.

October 26, 2021

Tuesday, 11:00am-2:00pm AKDT

SCOPE of Pain is an in-depth training that focuses on:

- Effective communication skills and the potential risks and benefits of opioids for managing acute and chronic pain
- The assessment of opioid misuse risk and recognition and treatment of opioid use disorder
- Helping you safely and effectively manage patients with acute and/or chronic pain, when appropriate, with opioid analgesics

Who is this for?

Physicians, nurse practitioners, registered nurses, physician assistants, nurses, dentists, pharmacists, and allied health professionals whose practices manage acute and chronic pain.

SCOPE of Pain Alaska is provided by:

Boston University School of Medicine, with local partner Division of Behavioral Health, Alaska Department of Health and Human Services. National collaborators include the Council of Medical Specialty Societies and the Federation of State Medical Boards.
