

Maricopa County Attorney Appointment Application Questionnaire

1. What would your top priorities for the office be if you were appointed Maricopa County Attorney?

2. The Maricopa County Board of Supervisors certified the election results in 2020. A significant amount of information regarding the election process and the allegations of fraud have been distributed to the public and made available. The Maricopa County Attorney is the legal representative of the board of supervisors. We expect a candidate applying for the job would become familiar with the allegations and evidence. Based on your review of the allegations of fraud and the information made publicly available, did the Board of Supervisors err in certifying the 2020 election results?

3. The Maricopa County Attorney represents the citizens of the State of Arizona in criminal matters, but also the Board of Supervisors and every other county elected official in civil matters. How would you plan to address the staffing shortage in both the criminal and civil divisions to ensure criminal justice is served and county offices are properly represented?
