

Meet Christine Srp Human Services

What is your role with the County?

I'm a Human Resources Group Manager supporting the Administration & Community Services departments under Deputy County Manager, Valerie Beckett. I have a strong team of HR professionals who provide direct HR support and guidance to Budget & Finance, Equipment Services, Parks & Recreation, Risk Management, Procurement, the Innovation Studio, the Industrial Development Authority, Human Services, and the Library District.

What do you enjoy most about what you do?

I love the variety. Both in the work that I do and the groups I serve. I have had the opportunity to work with several different departments in the County. It's amazing to learn the diversity of services Maricopa County provides. It is personally fulfilling to support work that has such a meaningful impact on those of us who live and work here.

Tell us something people might not know about you.

I enjoy trying out new places and eating the local cuisine. PBS' "Check Please" is a great resource. I am also into reading, hiking, tennis and pickleball.

Where is the last place you traveled to for fun?

I visited Flagstaff a few weeks ago for a few days to cool off and hike!

Do you have a go to spot in Maricopa County you like to go?

Riparian Preserve in Gilbert is such a beautiful oasis that's full of wildlife in an urban area.

Is there an app you can't do without?

Hoopla and Libby for reading and listening to books—it's free through the Maricopa County Library District!

It's baseball season. What is your walk-up song?

Velcros Brass Band - Crazy in Love Remix
