Flowing Wells Senior Meal Project

“A Plate Full of Care”

In the Spring of 2025 the long-time Senior Meal program at Ellie Towne Flowing Wells Community Center abruptly came to an end due to funding. This program was administered by Pima Council on Aging with meals prepared and delivered by Catholic Community Services Tucson when the funding ended, shutting down the program. This program provided approximately 50 seniors, 60+ years-old who meet income criteria in the Flowing Wells/Amphi Community, a lunch and social activities on Mondays, Wednesdays and Fridays at the Center.

The Flowing Wells Neighborhood Association and Community Coalition is a 501c(3) non-profit organization who can accept your tax-deductable donations.

The Flowing Wells Neighborhood Association and Community Coalition at the Request of Ellie Towne herself, is accepting these tax-deductable donations to restart the senior meal program with GAP Ministries, as the meal provider, by October of 2025.

We have a fundraising goal of \$45,000 to fund 1-year of senior meals, 3 times a week.

Our suggested organizational Sponsor donation levels are:

Bronze Level: \$500
Copper Level: \$1,000
Silver Level: \$5,000
Gold Level: \$10,000
Platinum Level: \$20,000

Sponsor Levels of Silver and above will be recognized with a Banner AND in our Program Announcements in Print and Online

Once we reach our goal and program is running, we will accept smaller donations – Thank you!

Donations should be made to:
