## CAMP VERDE

### Parks, Recreation, Trails, and Open Space Master Plan

The Town of Camp Verde has launched Envision Camp Verde, a community-driven effort to create a new Parks, Recreation, Trails, and Open Space Master Plan.

This plan will serve as a roadmap for the next 10 years and beyond, identifying opportunities, challenges, and priorities for our entire parks and recreation system.

The plan will:

- Assess current parks, facilities, trails, and open spaces.
- Gather community input to define needs and future priorities.
- Provide recommendations to guide recreation programming, events, and facility planning.
- Help ensure resources are used effectively to meet the community's vision for the future.

Community participation is at the heart of this process. Over the next six months, there will be workshops, pop-up events, and stakeholder meetings, all designed to gather feedback from residents of all ages.

Residents can participate right away by visiting [EnvisionCampVerde.com](http://EnvisionCampVerde.com), where you'll find:

- An online survey
- An interactive mapping tool
- A "Share Your Big Idea" forum
- A portal to submit comments directly

By sharing your ideas, you're helping to shape the future of parks, recreation, trails, and open space in Camp Verde. Together, we can create a vision that reflects our community values, culture, and needs for years to come.
