# VOLUNTEERS NEEDED

YAPD is looking for leaders within the Tunlii Community to help serve as Block Watch Captains for the Neighborhood Watch Program.

Block Watch Captains are responsible for becoming familiar with their neighbors & learning the best way to contact them to encourage the reporting of suspicious activity in their area to Police.

For more information or to help volunteer, call or text Mina Eppinger, Neighborhood Watch Program Liason, at (863) 257-9947 or YAPD (928) 649-7142

# IMPORTANT ANNOUNCEMENT

## Tunlii Residents- RAVE Update

As announced at the Neighborhood Watch Program Kick-Off event, YAPD will begin implementing the RAVE Communication system within the Tunlii Community.

In order for our agency to roll out this new platform, we have to manually input every tenant's contact information into the system. We will then use this information to generate a group for Tunlii Residents in which YAPD can send instant push notifications to enrolled individuals in case of an emergency. This will also include alerts for meeting updates, roadway conditions, utility notifications and much more.

If you are wanting to subscribe to the RAVE Communication system, please send your contact information to YAPD:

- Name & Address
- Phone Number (to receive calls and/or text messages)
- Email Address

We will need this information no later than December 5th so that we can begin building our program on December 8th

Please send all information to  
Mina Eppinger, Neighborhood Watch Program Liason,  
at [meppinger@yan-tribe.org](mailto:meppinger@yan-tribe.org) or  
via text at (863) 257-9947  
You can also email Chief Reimer at  
[mreimer@yan-tribe.org](mailto:mreimer@yan-tribe.org)
