DAISY MOUNTAIN CERT BASIC COURSE

The CERT Basic 3 Day Course is a training program that prepares people to help themselves, their families and their neighbors in the event of a disaster in their community.

Through CERT, citizens can learn about disaster preparedness and receive training in basic disaster response skills such as fire suppression, light search and rescue, and disaster medical operations.

February 13, 2026 **Friday: 6:00 - 10:00**

February 14, 2026 **Saturday: 8:30 - 5:30**

February 15, 2026 **Sunday: 8:30 - 5:30**

Class Location: Station 141

[43814 N. New River Rd.](#)

"After completing the FEMA 20-hour Basic Training course."

We welcome you to learn about how you can help your community by becoming an active volunteer with the Daisy Mountain Citizen Corps Programs.

Come Visit Us at DaisyMountainCERT.org for more information!

Daisy Mountain Fire & Medical Smoke Alarm Program

Interested in learning more about how to prepare your home and family against a home fire?
Sign up for a home fire safety visit, including **FREE** smoke alarm(s) and installation for your household.

About the Smoke Alarms:

- Non-Hardwired Smoke alarms with 10-year concealed battery
- Included: Mounting bracket, 2 wall screws, 2 anchors and maintenance guide
- No battery replacement
- Replace entire unit every 10 years

1st - Identify and Install Smoke Alarms:

Fire department installation program guidelines, new, or replacement install:

- Identifies non-working out of date smoke alarms and install Non-Hardwired Smoke Alarms with 10-year concealed battery
- Included: Mounting bracket, 2 wall screws, 2 anchors and maintenance guide
- No battery replacement
- In and Outside every sleeping area.
- On every level of the home (including basement).
- Installed on the ceiling or wall.
- Not within 3 feet of windows, doors, vents, ceiling fans, or bathrooms.
- Not within 15 feet of cooking appliances.
- Use wall screws to mount brackets to wall or ceiling
- Place alarm on bracket and twist clockwise (alarm will sound).

The fire district will provide at **NO COST** to vulnerable residents in low-income and high-risk neighborhoods a home safety educational visit and provide free smoke alarm and installation for your household.

2nd - Educate Residents On Fire Safety:

- Demonstrate how to test the alarm (Residents should test monthly).
- Provide the resident with the Smoke Alarms & Home Safety Information.
- Review the Resident's Home Fire Safety Checklist and Fire Escape Plan

37% of the injuries were
burns

Safety Tips

- ★ Never allow children to play with or ignite fireworks, including sparklers.
- ★ Make sure fireworks are legal in your area before buying or using them.
- ★ Keep a bucket of water or a garden hose handy in case of fire or other mishap.
- ★ Light fireworks one at a time, then move back quickly.
- ★ Never try to re-light or pick up fireworks that have not ignited fully.
- ★ Never use fireworks while impaired by alcohol or drugs.

How to make a Home Fire Escape Plan

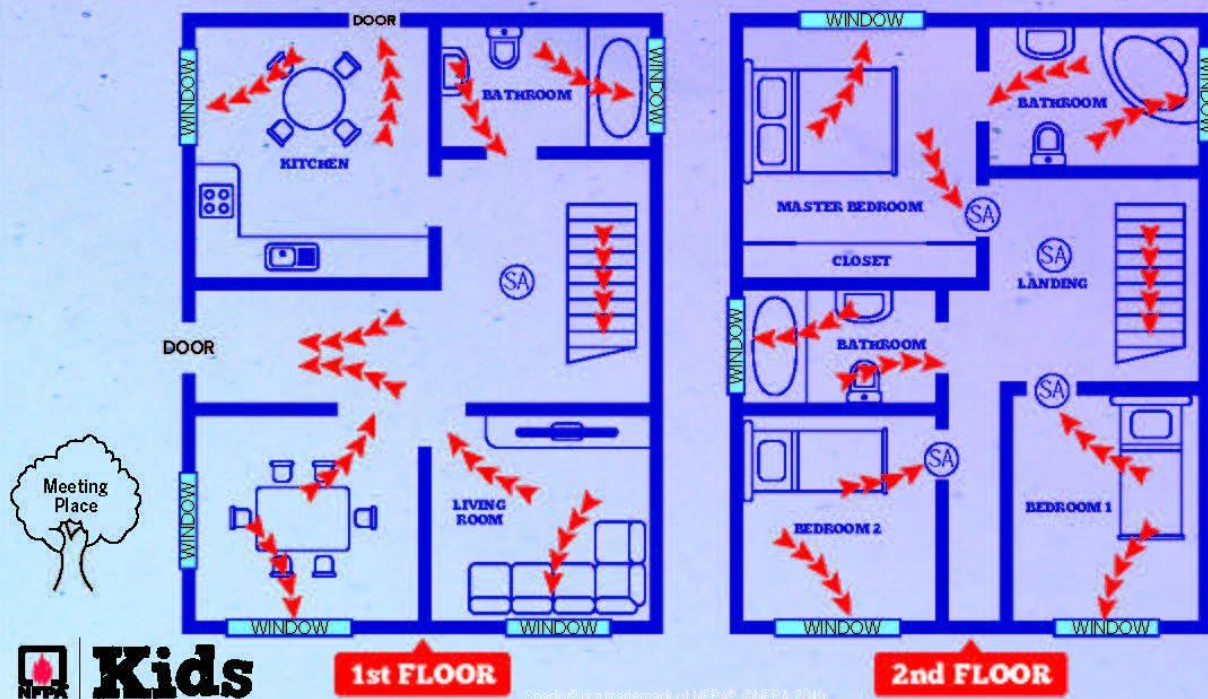

FIRE PREVENTION WEEK™

NFPA® — The Official Sponsor of Fire Prevention Week Since 1922

Visit Sparky.org
for more activities!

- ☐ Draw a map of your home. Show all doors and windows.
- ☐ Visit each room. Find two ways out.
- ☐ All windows and doors should open easily. You should be able to use them to get outside.
- ☐ Make sure your home has smoke alarms. Push the test button to make sure each alarm is working.
- ☐ Pick a meeting place outside. It should be in front of your home. Everyone will meet at the meeting place.
- ☐ Make sure your house or building number can be seen from the street.
- ☐ Talk about your plan with everyone in your home.
- ☐ Learn the emergency phone number for your fire department.
- ☐ Practice your home fire drill!
- ☐ Make your own home fire escape plan using the grid provided on page 2.

6 FIRE SAFETY TIPS FOR PETS

Keep away from stoves
and countertops.

Have a 3 foot "pet free"
zone away from
fireplaces.

Keep pets away from
candles, lamps, and
space heaters.

Have working smoke
alarms on every level
and test them once a
month.

Consider using
flameless candles.

Never go back inside
for pets in a fire. Tell a
firefighter.
