  - 10001 South Fifth Street, Mayer
- Thursday, January 8, 2026 @ 9 am
- Since 1993, Life Line Screening has been the premier provider of annual preventive health screenings for stroke and cardiovascular disease risk as well as other chronic illnesses.

A package of five screenings to identify cardiovascular disease and other chronic conditions will be offered:

- Carotid artery ultrasound that scans the carotid arteries for buildup of fatty plaque-one of the leading causes of strokes.
- Abdominal aortic aneurysm ultrasound screening for an abdominal aneurysm that could lead to a ruptured aorta.
- Heart Rhythm Screening (AFIB) A quick and easy test using a 6-lead EKG placed on the arms and legs to identify the presence or absence of an irregular heartbeat.
- Peripheral Arterial Disease Screening-Evaluates for PAD in the lower extremities, which increases the risk of cardiovascular disease.
- PLUS, a FREE Hypertension Screening!

As the host of the event, Life Line Screening is extending a special offer for a screening package that enables you to get peace of mind or early detection. Click here [WWW.LLSA.SOCIAL/HSCA](http://WWW.LLSA.SOCIAL/HSCA) or call 888-814-0466 to schedule your appointment! A simple screening can be worth a lifetime.

A vibrant graphic for a movie night event. It features a central illustration of a red and white striped popcorn bucket overflowing with popcorn. A film strip is coiled around the bucket, with a movie ticket tucked inside. In the foreground, there are a pair of red and blue sunglasses, a black clapperboard, and a film reel. The background is a bright orange-yellow with faint icons of various movie-related items like cameras, film canisters, and popcorn.
