Town of Camp Verde  
**DRAFT** 2026 GENERAL PLAN

## **Town of Camp Verde to Host Open Houses for 2026 General Plan Update**

**Camp Verde, AZ** — The Town of Camp Verde will host a series of public Open Houses in January to review updates made to the draft 2026 General Plan based on feedback already received and to gather additional community input before the plan advances.

Over the past three months, the Town has received extensive and thoughtful input from residents, stakeholders, and community partners through surveys, meetings, and outreach efforts. That feedback has directly informed revisions to the draft General Plan.

“These Open Houses are an opportunity to close the loop with the community,” said Town Manager Miranda Fisher. “We want residents to clearly see how their feedback influenced the draft plan and to continue the conversation as we refine the document.”

The Open Houses are informal, come-and-go events designed to allow community members to review materials, ask questions, and provide additional comments directly to Town staff.

All Open Houses will be held at the Camp Verde Community Library, located at 130 Black Bridge Loop Rd, Camp Verde, AZ 86322.

### **2026 General Plan Open House Schedule**

**Saturday, January 17** | 3:00 – 5:00 PM

**Tuesday, January 20** | 9:00 – 11:00 AM

**Saturday, January 24** | 9:00 – 11:00 AM

**Tuesday, January 27** | 5:00 – 7:00 PM

**Thursday, January 29** | 1:00 – 3:00 PM

Residents are encouraged to attend any session that fits their schedule. Whether participants have been involved throughout the process or are engaging for the first time, all feedback will be considered as the Town finalizes the 2026 General Plan.

For more information about the General Plan update, please visit the Town of Camp Verde website or follow the Town’s official communication channels. [2026 General Plan Draft - Vision 2050 Released for Public Comment](#)

### Rate Increases: 2026

- Please be aware that water rates are increasing in 2026, this increase will reflect on bills mailed out in February for January usage. Please review our rate schedule for more information.
- Why are rates increasing? Town Council approved Resolution 2023-1122 Adopting Fees for Town Water and Wastewater Services for Fiscal Years 2023-2024, 2024-2025, 2025-2026, 2026-2027 and 2027-2028 on November 1, 2023. The new utilities rates are to help fund new water infrastructure, including funding for debt recovery, water storage tanks, production wells, water quality treatment facilities, and increased fire protection.

# Mark Your Calendars

May 29th 4p to Saturday, May 30<sup>th</sup> at 4:30p

Northern Arizona Hospice, announces our 4<sup>th</sup> Annual Camp Pathways! It's a camp that provides children ages 8 to 18 (who have experienced a loss) an opportunity to meet other children their own age and learn skills to cope with their grief. This year, we will continue our highly rated overnight camping as part of the experience.

When it comes to grief and loss, children can be one of the most misunderstood and underserved groups. Children often struggle to understand or express their grief in a healthy way; and supporting the child can be challenging for adults who may not know how to broach the subject of death. It is important for children to be given the opportunity to process their grief in a supportive environment.

Camp Pathways is made possible through the financial support of the Hospice Promise Foundation.

***Plant, harvest, and enjoy!***

## **We welcome seed donations!**

We're especially looking for local seed savers to help us build a collection of heirloom varieties with a proven track record in the Verde Valley's unique climate. If you save seeds or have some extra to spare at the end of the season, please consider donating them to help sustain the seed library.
