## 2026 Poster Contest Guidelines

The 2026 MATFORCE Poster Contest is open to all Yavapai County children ages five (5) to eighteen (18) years old.

- The poster shall be an **ORIGINAL** creation of the submitter. *No licensed images please.*
- The focus of the poster must be an anti-drug message.
- For more information about substance abuse visit [matforce.org](http://matforce.org).

### DEADLINE and SUBMISSION:

All poster submissions must be received by the Yavapai County Sheriff's Office or MATFORCE no later than Friday, March 27<sup>th</sup> at 3:00 PM. Posters received after this date will not be eligible for the contest. Questions should be directed to Steve Brazell, with YCSO, at (928) 554-8704 or [steven.brazell@yavapaiaz.gov](mailto:steven.brazell@yavapaiaz.gov) or MATFORCE at (928) 708-0100 or [info@matforceaz.org](mailto:info@matforceaz.org).

### SIZE:

Posters shall be no smaller than 8-½ X 11 inches or no larger than 14 X 18 inches. All posters must be submitted electronically or on paper. No canvas please.

### SUBMISSION REQUIREMENTS:

All posters must have the following written on the back:

- Artist's full name (first and last)
- Age and grade
- Organization (school, club, association, or home school)
- Contact phone number
- Posters without the proper contact information will **NOT** be entered into the contest
- Poster submissions can be made directly to the Yavapai County Sheriff's Office (for a list of Sheriff's Office substations, go to [ycsoaz.gov](http://ycsoaz.gov)). Or posters can be mailed to MATFORCE at 7749 E. Florentine Road, Suite A, Prescott Valley, AZ 86314.

# MARIJUANA

weed · pot · cannabis · thc · carts · edibles

## Facts for Families | What is Delta-8 THC?

# Delta-8 THC

## diet weed marijuana lite

Some manufacturers are adding unsafe household chemicals to their products.

These products are popular with youth and include edibles in packaging that is attractive to youth and young adults.

**Delta-8 THC products are not regulated by the FDA or any state agency.** Under the 2018 Farm Bill, hemp production was deregulated for farm cultivation. Manufacturers use this loophole to produce mind-altering, hemp-derived THC products with no oversight.

### What can you do?

**TALK** Talk to your child about marijuana, alcohol, and other drugs. The sooner you talk about the dangers of cannabis use, the more chance of keeping them safe from CHS and other risks. It is not legal or safe for anyone under the age of 21 to use any form of marijuana. Adults should safeguard medical or recreational cannabis products in their home. Know the signs and symptoms to look for and seek help when you need it.

**MONITOR** Marijuana products can be purchased through texting and social media apps. Monitor where youth go online and ask about who they follow and what

they are hearing and seeing online. Before allowing youth to go online have a conversation with them about your expectations. Consider having them sign a social media safety contract. Regularly monitor what apps they have on their phones.

Learn more at  
[TalkNowAZ.com](http://TalkNowAZ.com)

**TAKE ACTION** Regularly discuss your expectations on the use of alcohol, marijuana, and other drugs.

## ***NEW RESOURCE*** Designed to Help Teachers Support Students

Trauma Lens Care (TLC) is a partnership between Yavapai County Community Health Services and MATFORCE. TLC acknowledges that children exposed to trauma need extra support. TLC provides schools with referrals from law enforcement when they respond to a situation where a child is present and is experiencing trauma. Situations may include a parent arrest, drug overdose, family violence, suicide, etc. TLC also offers schools trauma informed classroom trainings for school staff.

### **FREE Red Ribbon Week Supplies**

Red Ribbon Week activities provide a strong, unified, positive message that will help your students and our communities take a visible stand against drug abuse.

Celebrate Red Ribbon Week October 23rd - 31st!

The MATFORCE Drug and Alcohol Impact Panel for youth and young adults (under 25) educates about the risks and consequences of substance abuse and exposes the impact on victims of similar offenses.

**Now offering Youth Mental Health First Aid and safeTALK suicide prevention training!**

#### **WHY YOUTH MENTAL HEALTH FIRST AID?**

Youth Mental Health First Aid teaches you how to identify, understand and respond to signs of mental health and substance use challenges among children and adolescents ages 12-18.

Most people with thoughts of suicide don't truly want to die, but are struggling with the pain in their lives. Through their words and actions, they invite help to stay alive. safeTALK teaches participants to recognize these invitations, engage with the person with thoughts of suicide, and connect them with resources to help them be safer from suicide.

**For more information about scheduling a presentation or to learn more about these services, please contact:**

**MATFORCE (928) 708-0100 or [info@matforceaz.org](mailto:info@matforceaz.org)**
