## Northern Arizona Healthcare Urgent Care

Northern Arizona Healthcare (NAH) Immediate Care in Camp Verde was opened in 2019 to provide efficient treatment of minor illnesses or injuries at a low cost to patients.

We are open weekdays 8 a.m. - 6 p.m. and weekends 8 a.m. - 6 p.m. Closed for lunch on weekends 12:45 - 1:30 p.m.

The table below shows the differences between the NAH Immediate Care clinic, an urgent care model and an emergency department.

	Immediate care	Urgent Care	Emergency Department
Offers X-rays and laboratory services on-site. (during operating hours.)	X	X	X
Ideal health care setting to be seen for non-life-threatening issues such as back or muscle pain, colds and flu, cuts and minor burns, diarrhea, earaches, sore throats and more.	X	X	
Walk-in patients are given a projected time to be seen upon arrival.	X	X	
Patients can schedule online or call ahead to be seen upon arrival.	X	X	
If patients are unable to see their PCP, this option often has shorter wait times and is less expensive than emergency departments.	X	X	
Patients with an HMO plan can be seen without obtaining prior authorization.		X	X
Other services may be offered based on community needs, such as Workers' Compensation and DOT physicals.		X	
Lower cost option. Primary care copays apply as insurance is billed as a primary care visit.	X		
Higher cost option. Specialist or urgent care insurance copays apply. (There should be no change to the copays for those insured by Medicaid and/or Medicare, which is 60% of our patients.)		X	
The highest cost option.			X
The best option when a serious injury or illness, such as a life-threatening or limb-threatening health condition, needs treatment.			X

May 29th 4p to Saturday, May 30<sup>th</sup> at 4:30p

Northern Arizona Hospice, announces our 4<sup>th</sup> Annual Camp Pathways! It's a camp that provides children ages 8 to 18 (who have experienced a loss) an opportunity to meet other children their own age and learn skills to cope with their grief. This year, we will continue our highly rated overnight camping as part of the experience.

When it comes to grief and loss, children can be one of the most misunderstood and underserved groups. Children often struggle to understand or express their grief in a healthy way; and supporting the child can be challenging for adults who may not know how to broach the subject of death. It is important for children to be given the opportunity to process their grief in a supportive environment.

Camp Pathways is made possible through the financial support of the Hospice Promise Foundation.
