Equine-assisted psychotherapy services for Veterans and Service Members suffering from trauma

The Heart of the Matter is currently recruiting Veterans and service members to participate in an individual equine mental health intervention aimed at treating trauma and the impacts of military service. Participants will receive 8 individual, 60-minute sessions. These services are being provided by the VA Adaptive Sports Grant which was awarded to Eagala and is being administered through Eagala's Military Services partner organizations. There is no cost to U.S. Veterans and Service Members.

The Eagala Model can help you find the answers you're looking for.
