HEART *your parks*

Happening
All Month
Long!

The American Canyon Community & Parks Foundation and the City of American Canyon are partnering up in February for a celebration of arts & parks with Heart Your Parks! Visit our website at www.acparks.org for even more ways to enjoy Heart Your Parks month.

HEART WALK

Shenandoah Park & Community Park II

Heart Walk: A display of oversized hearts created by local artists of all ages. The nature/parks themed hearts can be found at two separate American Canyon parks. Talk a walk through the park & enjoy the temporary art exhibit.

NATURE ART

American Canyon Parks & Trails

Nature Art: Art is everywhere! A leaf formation, a collection of rocks or an image drawn in the dirt are just some simple examples of nature art. Be on the look out for organic material hearts on your next walk or get creative and leave your own nature art. Looking for inspiration? Tune into Curiosity Kids Nature Art Series at www.acparks.org

HEART & SOLES

Wetlands Edge, Newell Open Space, Vine Trail in American Canyon

Heart & Soles: Enjoy the added surprise of little heart tokens hidden along the trail. Find one and keep it for yourself or rehide for added fun. Snap a photo and post it to your social media #acheartyourparks.

SEARCH & SOLVE

Kimberly Park, Veteran's Park, Community Park I & Silver Oak Park

Search & Solve: This walking search and solve challenge will get you active while working your brain to decode the clues found on hearts throughout the parks. To participate, look for the instructional signs at each park, or visit www.cityofamericancanyon.org/love for more details. Offered by the City of American Canyon.
