## VIRTUAL ART TALK: THE SILK ROAD

GLOBALIZATION IN THE ANCIENT WORLD

Travel the ancient routes that provided goods, technologies, and ideas to countries and cultures from the Mediterranean to the Pacific. Before jet planes and smartphones, militia, merchants, monks and pilgrims spent months, even years, traveling over perilous land routes to carry luxury goods and new ideas. Luxury commodities such as silk, porcelain, paper, tea, gold and silver were carried across overland and sea trade routes known as the Silk Road. Religions and ideas, technologies and innovations also spread along these trade routes in all directions.

Please note that closed captioning will be available for this virtual event. Update Zoom on your desktop or mobile application prior to the event to enable the feature.

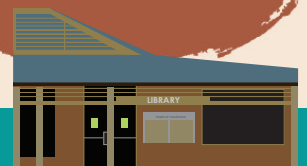

### Saturday, December 11th

12 p.m. - 1 p.m.

Presented on Zoom:
